

How the Bible is Undermined

The Bible explains that the **Kingdom of God is like a net**. The net has two handles; Beginning and End. The Lord said, *"I am **Alpha and Omega**, the beginning and the end, the first and last."* (Rev.1:8,11; 21:6; 22:13)

The Alpha

The beginning for us, is Genesis 1, **The Creation**, or the start of the net of Gods Kingdom on the one side.

If we can **"prove with theories"** (theories that are not based on scientific facts) **that creation is but an allegory**, or is only a Sunday school story for little children, like Santa Claus, then we have eliminated the beginning side of the net that will bring in the fish.

The Omega

Next, for us as believers, is **the Omega** or the end, which is **The Rapture** or the Lord's Return.

If we can **"prove with other theories"** that **Jesus was wrong** about the rapture when he said that he will return **"after** the tribulation" (Mat.24:29; Mark 13:24-26; Luke 21:24-27) and we say that his return is **"before** the tribulation", then when Jesus does not come before the tribulation many will fall away. Our faith in the Bible will be so weakened by these undermining theories of the Creation and the Rapture that we will throw in the towel.

The net of God's Kingdom has lost its strength and drawing power for those of us that settle for the theories, rather than what is written.

People need the tranquilizer of religion to feel safe, so the immunizing programme against God and His Word can continue. *"You are unto them as a very lovely song.. they hear your words, but they will not do them: for with their mouth they show much love, but their heart goes after their covetousness.."* (Ezek.33:32,31)

When the time comes the power of money will buy the people's devotion, with the bottom line; **cooperation or elimination.**

"But my Scofield Bible said that Jesus will come before the tribulation?" Ladies and gentlemen, it was Scofield who said it, not the Bible.

"The prophets prophesy lies in my name.. you make this people to trust in a lie." (Jer.14:14; 28:16)

The Tree of Education

'a tree to be desired to make one wise,' (Genesis 3:6)

The desire for education and to show ourselves **'wise' at least wiser than God and His Word** is stronger today than it has ever been.

Let's see how smart we are...

"The laws of nature are written by the hand of God in the language of mathematics." Galileo Galilei

Did you ever study our DNA?

Intricate computer programming

Our DNA is similar to the computer programming

"The US government is able to identify everyone in the country by a **nine-digit** social security number.

Yet, inside every miniscule human cell there is a **three-billion**-lettered DNA structure that belongs only to you." - For more info see this link:

Dr. Albert Einstein not only gave us the formula $E=mc^2$, he also gave us this one: **Ego = $\frac{1}{\text{knowledge}}$**
The less we know, the bigger our Ego.

Werner Heisenberg (Nobel Quantum Physicist) said, "Only a few know, how much one must know to know how little one knows."

Yet, we think that we are smarter than God and so feel free to criticize His Word. However in order to undermine the truth we have to stoop to lies, we lose faith, hope and our compass in life, while mental health issues become predominant.

"When the Son of man comes, shall he find faith on the earth?" (Luke 18:8) Or will it all be gone with the wind and the hot air theories of man? *"The wisdom of this world is such foolishness to God."* (1Cor. 3:19)

Withholding Information

Much like the plantation slave master, Satan seeks to influence our minds through education. He will only teach his slaves how to do their particular job. He does not tell them the ins and outs of the overall plantation management and he will definitely not inform his captives that there is an escape route.

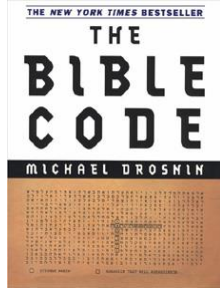

That's the reason the Bible is out of school, as it gives the overall, complete programme picture with the escape route and where to find it.

Satan will do anything to destroy our faith in the Bible, with lies so big that you would not think that anybody would have the nerve to lie like that. Fabrications so captivating, that most people are intrigued by them and have accepted them as facts. *"There is no truth in him.. for he is a liar, and the father of it."* (John 8:44)

The Bible Code

Michael Drosnin writes, in his no.1 bestseller book, 'as an investigative reporter, I've spent five years checking out the facts. Nothing is taken on faith.. Only one test - the truth.'

The code was discovered by the Israeli mathematician **Dr. Rips...** and confirmed by famous mathematicians at Harvard, Yale and Hebrew University.

Available on Amazon

It has passed three levels of secular peer review at the leading US math journal and a senior code breaker at US Dept. of Defence.

Sir Isaac Newton was certain that there was a hidden code in the Bible that would reveal the future.. he considered it more important than his 'Theory of the Universe.'

The hidden text of the Bible was encoded with a kind of time-lock. It could not be opened until the computer had been invented. The code is that hidden information is woven into the text of Genesis in the form of equidistant letter sequences. The effect is significant at the level of 99.998%

Harold Gans (Senior code breaker for American intelligence at the Pentagon) was certain he could prove that the code did not exist.. 'It sent a chill up my spine' recalled Gans.. 'At first I was 100% skeptical' said the Pentagon code breaker. 'I set out to disprove the code, and ended up proving it.'

The Bible is constructed as a giant crossword puzzle. Skip X spaces, and another X spaces, and another X spaces, and the hidden message is spelled out.

There is a Bible beneath the Bible.

It is not only a book – it is also a computer program.

It was first chiselled in stone and handwritten on a parchment scroll, finally printed as a book, waiting for us to catch up with it by inventing a computer.. In experiment after experiment the crossword puzzles were found only in the Bible... not in 'War and Peace', not in any other book, and not in ten million computer generated test cases.

Rabin 1922-1995

Yitzhak Rabin appeared with a skip sequence of 4772. Crossing the name.. we found the words 'assassin will assassinate', the year '5756', 'Tel Aviv'. (the year 5756 is 1995-96) Later we discovered the name of his assassin 'Amir'.

Drosnin warned Rabin and writes, 'We had not been able to save Rabin's life. But suddenly, brutally I had absolute proof that the Bible code was real.'

We found '**Economic collapse**' '**Depression**' 'stocks' '5690', (which is 1929) encoded in the same place.

'**Hitler**' and '**Nazi**' were encoded together with 'slaughter' 'in Germany'.. etc., etc., etc.

The Yale professor mathematician **Piatetski-Shapiro** was startled, 'There is no way in the known laws of mathematics to explain seeing the future.. What we are talking about here is **some intelligence that stands outside.**'

Dr. Rips, "The Bible code contains more information than we could even count, let alone find, in several lifetimes." (End of *The Bible Code* summary)

Is The Bible Obsolete?

As a child I saw people going to church with a Bible under their arm. They were solemn people that never smiled. Mother told me, "The Bible is a guide book about how not to enjoy life." I loved life so I stayed miles away from it. I preferred the pub.

"Thou shalt not"?

I thought the Bible was for the ignoramus. A book of "thou shalt not", while I said, "I shall", as I sought freedom and wanted to break out of my boundaries. For me God was way too authoritarian. "Do this or else!" made my hair stand up.

Yet, one day out of interest I started reading it..

.. and boy was I ignorant and wrong! Honestly I could hardly put it down.

That feeling of; "Yes, yes, good stuff, this answers my whys and wherefores, kept me reading.

The scriptures became doors to a whole new world, a world of beauty and truth, science, research and understanding, inspiration and excitement.

This had nothing to do with religion and man's ceremonial pomp, this was life and freedom and it was that freedom that I always craved.
