

Dr MacDougall and five more physicians concluded that in each of the six cases monitored, **a weight loss averaging 21 grams** was noted after the patient died.

The instant life ceased, the opposite scale pan fell with a suddenness that was astonishing; as if something had been lifted from the body.

Animals not the same results

Dr MacDougall conducted similar experiments on 15 dogs but results were not the same.

Also in 1917 H. LaV. Twining, a physics teacher at Los Angeles Polytechnic High School, attempted the same experiment on mice and did not note any weight loss upon death... the spiritual build-up of **humans and animals are not same.**" - (End of NY Times Article) - <https://realunexplainedmysteries.com/how-much-does-the-human-soul-weigh>

Creation / Re-creation

With our soul comes the freedom of choice and although man is created in Gods image, **'His selfie'**, which is to be a loving creature. Yet, **we're recreating ourselves** by the decisions that we make. This life is ultimately to test our moral fibre. Will we give or grab, help or hinder, share or shoot, love or hate?

The Importance of Decision Making

Dr Albert Einstein said, "Look deep into nature and you will understand everything better." For example, we have our life's parallel in the caterpillar's transforming into a butterfly. Right now we are like the caterpillar that feeds on the things around us. Our life seemingly ends when we go into our chrysalis, resembling our coffin.

It is hard for us, as caterpillars, to see beyond this point. Nevertheless depending on the decisions that we've made in our life, we will either metamorphose into a pollinating, colourful, angelic-butterfly, or into a destructive, repulsive and hairy demon-moth.

Our little and big decisions, which we think no one sees, will determine our future when we cross over from here into "forever land"

Heaven

This is for those who love the Lord and want to go there. *"Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love him."* (1Cor.2:9) People who have visited there did not want to leave.

What about Hell, if God is Love?

As I usually do, I ask questions: "If you are love, Jesus, then why did you say three times in Mark chapter nine **"Hell is... where their worm dies not, and the fire is not quenched."**? The answer was simple:

Their Worm Dies Not

Now **through our wrong decisions in life we have allowed the "worms"** of selfishness, hate, jealousy power-lust, etc., to get into us and they started eating away at our insides, sometimes we feel it - "This just eats me up" or "I feel so rotten inside". That feeling will be there forever as these worms of selfishness or whatever worms we have that **we want to keep**, will not die, unless we repent and ask Jesus to deliver us from these worms.

Their Fire is Not Quenched

All these "fires" of us being right, accusing others and fighting to get even, because of the injustices we feel that have been done to us. That is the hell fire that rages and burns us up. We refuse to look to God, as we think that God is incapable of doing anything about it. So, we take matters in our own hands with "This I will have to settle myself!"

The saying, "This just burns me up" will then be reality as this is what we want.

On earth our fires are quenched by loved ones or the police, but hell is the place where our fires are not quenched so we can really go to town.

The Facade is Removed

Now we have a veil or curtain hiding the spiritual from our physical facades and forced smiles. When we pass over to forever land the "worms" and "flames" will no longer be metaphorical, but actual **worms and flames of fire that we hold dear.** - Welcome to hell.

The Darkness Reserved

"To whom the mist of darkness is reserved for ever" (2 Peter 2:17). This is another verse that we have to understand. For instance if we want to go out for an evening we reserve a table in the place with the ambiance that we personally like. If we like the shady,

thick mist of darkness in this life, then we reserve a place in the same darkness for our next life.

A place is reserved and our wish will be fulfilled. *"Light has come into the world, but men loved darkness instead of light because their deeds were evil."* (1 John 3:19)

Passing the Grade or Trying to Skip

Life is like going to school, if we pass these tests here on earth then we will get promoted to the next grade. If we don't pass the tests then we have to take the same tests over again until we learn them.

NDE (Near Death Experience) - Sandy Rogers committed **suicide** but was mercifully allowed to come back. She explained, "There is no way to escape that if you try to kill yourself and you succeed somehow you will have to go back and live your life from the beginning. And you go through everything that was painful in your life and then you will have to continue from the point where you killed yourself also, so **you are not escaping.**" **

Beings of Light

NDE - Dr George Ritchie reports that "he was led to hell by Jesus and realized that there were 'Beings of Light' above each angry soul fighting others there. These beings were attending, watching over, and ministering to these souls.

Although they were completely unaware of them".**
NDEs are taken from [Life After Life | Documentary Heaven](#)

Everlasting Hellfire?

The original Greek language uses the word αἰών (aion), meaning "age", or "a period of existence". Forever and ever means for an age and an age, until we stop being consumed with our personal misery and acknowledge the need for God in our life to get us out of this hell. Only then seek we to acknowledge the "beings of light" to guide us out of there.

God Won't Override our Wishes

God will not stick us in a can of worms or burning flames if we come to Him for repentance to change our ways. Never will God throw us into outer darkness if we want the light. He is not a monster. Good works and religion cannot guarantee you heaven, "For there is one God, and one mediator between God and men, the man Christ Jesus." (1Tim.2:5) God will not judge you. It says that, "God judges no man, but has given all judgment to the Son." (John 5:22) Read the Gospels and see how Jesus is merciful and refused to judge a woman who was caught in extra marital activity, that the "good religious" people were ready to stone. Jesus said, "Whosoever comes to me I will in no wise cast out" (John 6:37). If you feel like you are living in hell already then come to Jesus.

Foremost it is crucial to stop blaming others or the situation and tell Jesus that **you yourself** want to become a different more loving person. Then **read the Gospels** and let His Word speak to you to make you a new person with heaven in your heart today.

How important is forgiveness?

Do you want to be faced with that person, which you cannot forgive now in your next life until you learn to forgive him or her? Forgive now, this second. Say this out loud so you can hear it, and God will know that you mean it. "I forgive __ Name __. God hear me, Jesus hear me. I forgive, so you can forgive me, since you only can forgive me, as I forgive others.

I take this step by saying it out loud so that you can work the miracle in my heart and mind and can erase these hurt feelings that I carry with me".
Forgiving is not between you and the person, but it is a transaction with God. You decide to trust Him to take care of things and you will hold no grudges.

Can I Bring Some of My Wealth?

People like the Pharaohs placed some of their wealth in their tomb for their next life, hoping to bring hard earned wealth, power and pomp with them when they die. This is not a fallacy or myth, but **you can invest in your afterlife** and you can send funds ahead.

How to Send Funds Ahead

"He that has pity upon the poor lends unto the Lord; and that which he has given will he pay him again".

(Proverbs 19:17) If you want to be rich in the next life, then help the deprived in this life. What you give is the same amount that you

lend to the Lord which He will repay you **with startling interest.**

"He that gives unto the poor shall not lack." (Prov.28:27)

If you want to be assured of not lacking during the difficult days of the recession then give to the needy.

If you help then the knife cuts three ways:

- * Having the joy of knowing that you helped someone
- * You and your family will not lack
- * You invest in your future for eternity.

Souls, Heaven, Hell and In-Between

CPR - Mouth to Nose Resuscitation

"And the LORD God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul." (Genesis 2:7)

God created us in the four-dimensional realm of time, length, width and height. Yet, the breath of life is our soul from a higher dimension. It sets us apart from animals, no matter how much we try to match DNAs. **Our soul** lives inside this amazing and pleasurable machine, our body, and **does not die** with our body.

Prof. Stephen W. Hawking CH CBE FRS FRSA: (1942-2018)

"I regard the brain as a computer which will stop working when its components fail. There is no heaven or afterlife for broken down computers; that is a fairy story for people that are afraid of the dark." [Stephen Hawking: 'There is no heaven; it's a fairy story' | Stephen Hawking | The Guardian](#) Seeing that Professor Hawking was a scientist let us take a look at this scientific experiment:

The New York Times (edited) - March 11th, 1907

"In 1901 **Dr Duncan MacDougall** conducted an

1866 - 1920

experiment that proved that what we refer to as the soul exists, has weight and is actually something that leaves our body the moment we die. The experiment was conducted on six dying patients; five men and a woman. The patients were placed on a specially made reliable weight scale just before dying.
