

The 3rd Jewish Temple

Details according to the Prophet Daniel

The Angel Gabriel tells Daniel

9:27: And he shall confirm the covenant with many for one seven¹; and in the middle of the seven he shall cause the sacrifice and the oblation to cease,² and for the overspreading of abominations he shall make it desolate³, even until the consummation⁴, and that determined shall be poured upon the desolate.

1. The 'he' refers to a dynamic world leader, who will confirm the covenant or peace agreement with 'many' (the U.N.) for one שבע, pronounced shavua or seven years., which is also the length of his tenure.
2. After 3½ years he will stop the animal sacrifice and thanksgiving.
3. Instead he will place the greatest abomination and the temple will spiritually become desolate and dry.
4. The consummation is at the end of the seven years when that leader goes berserk and presses the red button and we have the nuclear aftereffects.

This agreement is also called '**holy covenant**' (Daniel 11:28 & 30), which shows that it has religious implications. Two religious points are:

- * Jerusalem becomes a multi-religious capital.
- * The Jews will build their third **TEMPLE** and reinstate daily animal sacrifice according to Leviticus.

It is common knowledge and many Jews and rabbis believe that; during the time of the Jewish Messiah the rebuilding of the third temple will happen and there will again be the act of worship and animal sacrifice.

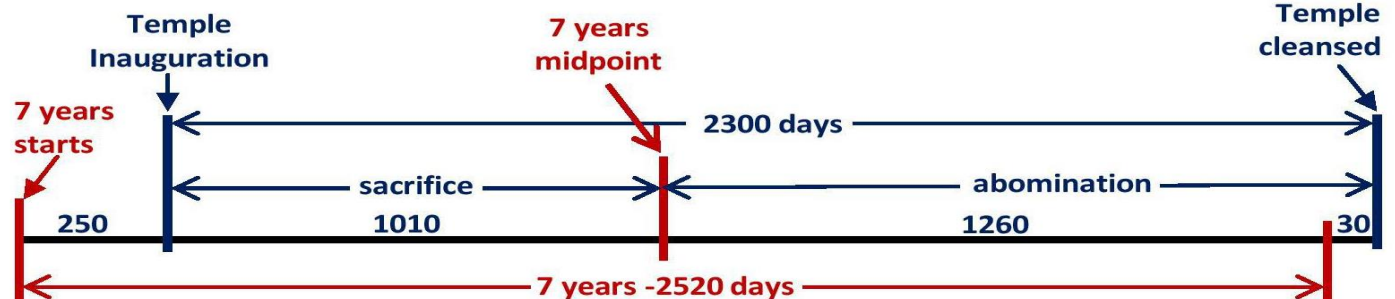

As you see verse 9:27 gives us a birds-eye overview of the last seven years. Daniel mentions several times how the 'he' will stop the animal sacrifice.

Daniel 8:11: Yea, he magnified himself even to the prince of the host¹, and by him the daily sacrifice was taken away², and the place of his sanctuary was cast down.³

1. He will malign Jesus, the prince of the believers.
2. Is the daily animal sacrifice that he will stop.
3. he will desecrate temple, by placing the abomination.

Daniel 8:12: And an host was given him against the daily sacrifice by reason of transgression¹, and it cast down the truth to the ground²; and it practised, and prospered.³

1. Likely the peacekeepers stop the animal sacrifice and the reason will be that it is a transgression against the animal rights.
2. He will do his utmost to destroy our faith in the truth of God's word, the Bible.
3. The Lord allows him to prosper to see what decisions we each individually will make. '**to test us and know what is in our heart**' (Deut 8:2)

Dan.11:31: 'arms shall stand on his part¹, and they shall pollute the sanctuary of strength (temple), and shall take away the daily sacrifice, and they shall place the abomination that makes desolate.'

1. The army moves into the temple to stop the animal sacrifice and place the abomination of desolation.

Daniel 8:13: Then I heard one saint speaking, and another saint said unto that saint which spoke, "How long shall be the vision concerning the daily sacrifice, and the transgression of desolation¹, to give both the sanctuary and the host to be trodden under foot²?"

1. How long is the total time frame of these two periods in the temple: first the daily sacrifice of animals and then the abomination of desolation?
2. How long will the temple be desecrated and the believers be persecuted?

Daniel 8:14: And he said unto me, Unto two thousand and three hundred days; then shall the sanctuary be cleansed¹.

1. After 2300 days the temple is finally cleaned out.

Daniel 12:11: *And from the time that the daily sacrifice shall be taken away, and the abomination that makes desolate set up, there shall be a thousand two hundred and ninety days*¹.

1. From the time that the abomination is placed, it is allowed to function for 1290 days.

Let's do some basic math

According to the Lunar Calendar, which was in operation back then, a year has 360 days.

The last seven years is 7 X 360 days = 2520 days.

According to **9:27** the abomination is placed in the middle of seven years which is after 1260 days.

According to **12:11** the abomination will function 1290 days. 1260 + 1290 = 2550 days.

According to **8:14** the temple operates first with the daily sacrifice and then with the abomination for total 2300 days, before it is cleansed.

2550 – 2300 = 250 days.

This gives us 250 days, roughly 8 months, after the covenant is confirmed at the beginning of the last seven years. These 250 days are to construct the temple, before it is inaugurated.

1260 – 250 = 1010 days. This shows that the daily sacrifice will operate in the temple for 1010 days, before it is replaced with the abomination.

What Does Abomination Mean?

Jesus tells us, *'for that which is highly esteemed among men is abomination in the sight of God.'* (Luke 16:15) -

Highly esteemed among men is science producing

an android, hologram or robot that can function as a human being. The *'abomination of desolation'* spoken of by Daniel the prophet is the same as the 'image of the beast' in Revelation chapter 13. (Rev.13:14-18)

We will be forced to worship that God-damned (as it is damned by God) talking puppet as our new creator.

It says that, *'as many as would not worship this image should be killed.'* (Rev. 13:14,15)

Can you see why this scientific feat is an abomination and outrageous atrocity in the sight of God? God gave us life, while this talking puppet demands our worship, or else it will give us the death sentence.

What does that entail for all of us?

Jesus refers to this 'abomination' - *'WHEN you therefore shall see the abomination of desolation, spoken of by Daniel the prophet, stand in the holy place (temple), (he that reads it, let him understand:)'* Jesus admonishes us to understand. *'For THEN shall be great tribulation, Then let them which be in Judaea flee into the mountains:* (Mat.24:15-21)

Run, don't even get your clothes. Move! This thing will be extremely efficient and immediately send out lists of names to the police and check-posts of those that don't have the RFID micro implantation, which directly links us to the worship of this talking puppet.

The tribulation period is the second half of the last 7 years, 3½ years, which is cited 8 times in the Bible as 42 months - 1260 days - times, time and half a time. (Daniel 7:25; 9:27; 12:7 - Revelation 11:2,3; 12:6,14; 13:5)

In the very end the Antichrist presses the red button for nuclear war.

However in the darkest hour the Light of the world bursts forth.

'Immediately after the tribulation of those days shall the sun be darkened, and the moon shall not give her light, the stars shall fall, the powers of the heavens shall be shaken.. (NUCLEAR WAR) they shall see the Son of man coming in the clouds of heaven with power and great glory.. he shall send his angels with a great sound of a trumpet, and they'll gather together his elect from the four winds' (Mat. 24:29-31)

There is the gap of 30 days, when the believers feast in heaven and then come back to put an end to the abomination for good and take over the world.

Daniel 8:16: *And I heard a voice, "Gabriel, make this man to understand the vision."* - Understand is used 23 times in the Book of Daniel. Understanding the scriptures is the utmost importance as, *'therefore the people that do not understand shall fall.'* (Hosea 4:14)

Where was the temple located in Jerusalem?

Archaeological findings show that the Dome of the Rock on the 'Temple Mount' is not where the temple stood, but where the 10th Roman legion was housed. Take the time to watch this interesting documentary **"The Coming Temple"** by Whitestone Media Ltd. This explains from archaeological findings that the temple was not on, but near the 'Temple Mount' in the city of David. (Access date 21/11/2018)

Daniel 8:26: *'shut up the vision; for it shall be for many days.'* - Now we understand the vision and soon the many days will come to their end.
