

The Final False Prophet - What is he like?

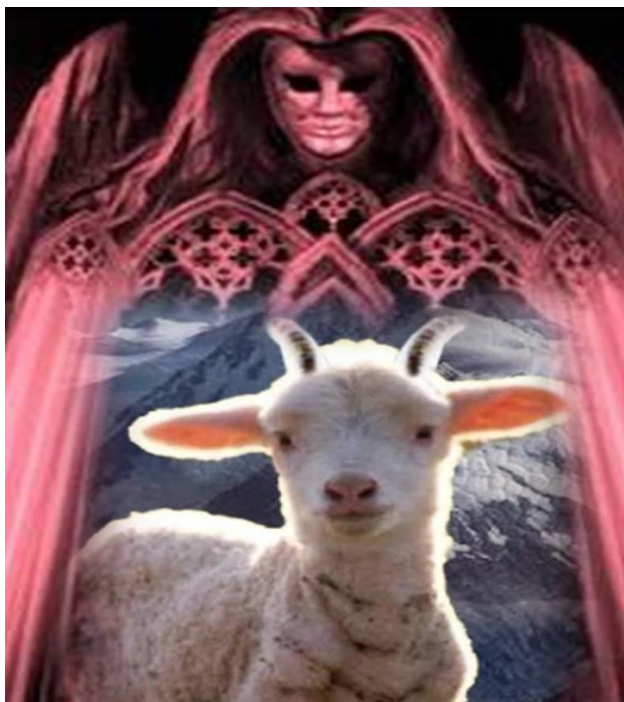

How do we differentiate between a true and a false prophet? A true prophet will teach Bible scripture, take it or leave it.

A false prophet takes a scripture and spins a theory around it that his audience likes, but you end up wondering if what Jesus said still holds true.

During the last days there will be two specific individuals; the Antichrist and the False Prophet.

This pamphlet teaches us how to recognize the final False Prophet that John the Revelator mentions in Revelations chapter 13.

This pamphlet teaches us how to recognize the final False Prophet that John the Revelator mentions in Revelations chapter 13.

About this False Prophet John says, *“I saw another beast coming up out of the earth; and he had two horns like a lamb, and he spoke as a dragon.”* (Rev. 13:11)

The two horns show he is two-faced and two-pronged: one **religious** and the other **scientific**.

First let us look at his “religious” façade.

Horns represent power so he is a powerful speaker, smooth and convincing as the devil. Jesus was also pictured as a lamb, so either this final False Prophet is a so-called “Christian” or an interreligious pious fraud.

“He causes the earth and them which dwell therein to worship the first beast (the Antichrist)” (Rev. 13:12) This explains that the False Prophet has made it his life’s calling to promote the divinity of the Antichrist from a religious point of view.

Fire from Heaven

“And he does great wonders, so that he makes fire come down from heaven on the earth in the sight of men, and deceives them that dwell on the earth by the means of those miracles.” (Rev.13:13,14)

The Prophet Malachi wrote that Elijah will first come to announce the Messiah. *“I will send you Elijah the prophet before the coming... of the Lord.”* (Mal.4:5)

Elias and Elijah are both names for the same prophet. *“Jesus began to say concerning John,.. And if you will receive it, this is Elias, which was to come.”* (Mat.11:7,14)

Elijah called down fire from heaven and already came as John the Baptist announcing our true Messiah, Jesus of Nazareth.

However, this “False Prophet” will also call down fire from heaven and will claim that he comes as Elijah to announce the “Final Ultimate messiah”.

Already there are rumours among the Christians about a prophet called Elijah in Israel - Be careful who and what you believe! – *Jesus said, “Don’t be surprised;” and “I have told you before, Watch out, that nobody deceives you.”* (Matthew 24)

“Don’t marvel; for Satan himself is transformed into an angel of light.” (2Cor.11:14)

He Will Quote Scriptures

We usually think that anyone who quotes scriptures must be speaking the truth.

Verses applying and fulfilled in Jesus, the False Prophet will be using to deceive: *“Out of Egypt have I called my son”* - *“I will send you Elijah the prophet before the coming of the Lord”* (Mat.2:15; Mal. 4:5)

“The Millennium of Peace is Here!” Rubbish! The Biggest Lie will be, *“All the prophets were reincarnations of each other and our world leader is the final reincarnation of all the prophets and Jesus Christ!”* **“...his words were softer than oil, yet were they drawn swords.”** (Psalms 55:21) **Don’t let his swords kill your faith.**

“Jesus answered: Watch out, if anyone tells you, ‘There is Christ’ or, ‘Here he is’ do not believe it. For as lightning from the east is visible in the west, so will the coming of the Son of Man be.” (Mat.24.26,27)

Right or Wrong ??

Although Jesus said that he will come back immediately after the tribulation, 90 to 95% of

Christians believe that Jesus will come back before the tribulation. (Mat.24:29-31)

Dates of Jesus returning have many times been predicted by so-called “prophets”. It’s all part of the campaign to undermine our faith. So we’ll finally say, “Forget this rapture stuff, Jesus’ coming is a myth.”

Anti-Christ means Replacement of Christ.

Anti nowadays means against, while in the original Greek **αντί Χριστός** means “Replacement-Christ” or “Instead of Christ”.

People will be so fed-up with these nonsensical speculations, that they will be happy to accept this “replacement of Christ” as the real deal...

Let's see how the False Prophet uses “Science”

The False Prophet “causes the earth and them which dwell therein to worship the first beast, whose deadly wound was healed.; saying to them that dwell on the earth, that they should make an image to the beast, which had **the wound by a sword**, and did live.”

Most likely there will be a serious assassination attack on the first beast which is the Antichrist. He gets a wound by a sword and survives it. Will someone who knows that he is the Antichrist, or the “Dajjal” as he is referred to in the Islamic scriptures, try to kill him with a sword?

The False Prophet will use this incident to convince the scientists to produce a look-alike “image of the beast” so this can be a buffer and protection against any further assassination attempts.

This image or human android will look like it is alive and will also be able to speak.

“And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed.” (Rev.13:15)

He supposedly “gives life to the image” Absolute rubbish. –

No scientist will ever be able to make a single blade of grass, as it has procreative life and only God can give life.

However with **scientific hocus pocus** he commands demons to enter the image. If demons can operate Ouija boards, then they can manipulate the highly sensitive micro mechanisms of the android and make it look like the **image is alive**.

As demons are operating the image it becomes a mouthpiece or ‘oracle’ for the demons and Satan himself, demanding our worship.

Influenced by What/Who we Worship. .

If we believe that God is our creator and that he is love, then we want to become a more creative and loving human-being to be like him.

If what we worship is a robot and an oracle of Satan then this means that we want to become a robot-like parroting human android.

Worship the Image: Do or Die!

“As many as would not worship the image of the beast should be killed.” (Rev.13:15B)

And this all happens under the cloak of SCIENCE. If we refuse to worship that God-damned (it is damned by God) talking puppet it gives us the **death sentence**.

RFID – Radio Frequency Identification

“And he causes all, both small and great, rich and poor, free and bond, to receive a mark in their **right hand**, or in their **foreheads**: And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.” (Rev.13:16,17)

The microchip will have all your info and will be the only way to shop, as it needed for any transactions. We can also be traced anywhere, anytime if we don't cooperate and follow the party line.

“Here is wisdom. Let him that understands count the number of the beast: for it is the number of a man; and his number is Six hundred sixty six.” (Rev.13:18)

What does ‘666’ mean?

There are several explanations but a simple one is the UPC (Universal Product Code) that is on every product. If on the right side of the UPC

code you see the number **6** (the higher red dot) then above it are two thin lines which represent the number ‘6’. The three sets of the longer double thin lines (three lower red dots) without a number each stand for ‘6’. Hence the number ‘**666**’. The RFID functions on this numerical arrangement.

Be not Deceived by Bogus Elijah

Jesus tell us four times in Matthew 24 to not be deceived about his return. “false prophets, shall shew great signs and wonders; so much so that, if it were possible, they shall deceive the very elect. Behold, I have told you before.”

(Mat.24:24,25) If you consider yourself one of the very elect, Watch out!

This False Prophet - this BOGUS-ELIJAH is the **worst smooth talking and foul lying deceiver** that ever walked on face of the earth.
