

“The day when God shall judge the secrets of men”
 (Romans 2:16) Imagine all that was done in secret and
**all the ‘shady deals’ shall be brought out into the
 open** to be judged.

Our Records

How can God possibly keep a record of what all these people that ever lived on earth have done? From the different NDE's (Near Death Experiences) it seems that God played back people's memory, which was like an audio/video recording and storage bank of all that they went through in their life time; and all their decisions, whether good or bad, were documented there.

Our memory faithfully records everything we do and say, our words, our motives, loving and unloving deeds and although we sometimes try to erase these memories, or would like to forget certain things, they are there documented forever.

Time to Rewind and Play-Back

Now Judgment Day is here; you are standing before the whole world, before all the people that admired

or hated you, and God hits the playback button on the big screen for all to see. You can't argue about the evidence, you can't say that you did not do it, you can't say, "I did not mean it like that", because you are presenting your own evidence.

You are standing there simply naked as a human being. There are no cover ups of religion, no cover-ups of power, nothing to get you off the hook. No lawyer to twist the truth that is presented by you, no judge to bribe. Just you and you can't crawl under the table!

TWO KINDS OF PEOPLE

There will be two kinds of people. Those that say, "I am so sorry, would you allow me to apologize to those that I have hurt, could I ask you to please forgive me. You gave me a free will, but I really muffed it and I am just so, so sorry."

And then there are those that say: "I had a horrible life God. I did my best. Don't blame it on me it was you that allowed this mess, I did not chose to create myself."

Sorry, it does not work like that. **We are all creating and recreating ourselves by the decisions that we personally make.**

What will you do?

Will you pass the blame to others and to God? Or will you say "Yes, it was me that made these decisions. You tested me and I failed, please be merciful I am a sinner."

The ones, who are truly sorry, repent and apologize to the ones that they hurt and those who want to come clean will be allowed to live on the new earth.

Cause and Effect

Again, it comes down to our choice. **We hope to slip by and that no one sees**, but according the Universal law of 'Cause and Effect* - Action and Reaction' we will have to face the music for our deeds.

* 'Cause and effect is a relationship between events or things, where one is the result of the other.'(Dictionary)

We think that we can get away with things now, but we will have to face up to what we did on PAY- DAY.

The Verdict is Clear: "GUILTY!"

Please do yourself, and your loved ones, and everyone, including God, who values and loves you more than himself, a favour and save yourself from this incredibly shameful, humiliating experience.

You might say, "If God loves me so much, why does he force the Judgment Day on me?" Sorry, but God does not want the Judgment Day to happen. He does not want to humiliate you, he wants to forgive you and not hold your sins against you.

He offers forgiveness, but we have to accept it. That is why he sent us his Son to take the punishment for us, so you and I don't have to stand trial.

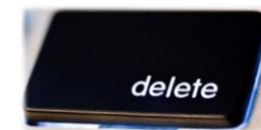

If you have a son, then you know what kind of sacrifice I am talking about.

Erase those Files

Jesus is eager to erase that memory file, so it can no longer be used against you. This is something that only he can do, but **we have to ask him.**

He died the death of the foulest criminal, so we can come to him no matter how low we have fallen. The death that we deserve he has taken for us. Seek his

forgiveness, which is totally beyond our limited comprehension and ask him to hit the delete button of your memory. So you will no longer have to give testimony in the witness stand on the Day of Judgment and bring evidence against yourself.

to hit the delete button of your memory. So you will no longer have to give testimony in the witness stand on the Day of Judgment and bring evidence against yourself.

Through his death he **destroyed my fear of death** and gave me the assurance that I will live forever. That was his incomprehensible gift to you and me, the “Good”, the “Bad” and the “Ugly”, regardless of status, ethnicity, religion or the lack of it. His life for ours, to show how much he values us, to lift us high above religion to connect us back to our Father, the Source of Love and positive energy.

The Ultimate Question

He gave his life; will you give him your heart? Jesus said, *“Look, I stand knocking at the door of your heart. (he cannot barge in) If you open the door I will come in and we will dine together.”* (Revelation 3:20)

Your frustrations of ‘Why this?’ and ‘Why that?’ will be answered through his word with inner peace and complete understanding. All it takes is a decision. It will determine our future when we cross over from here into ‘forever land.’

Make a Get-Away

Find a quiet place, then open your heart and talk to him as you would to your best friend. *“And the peace of God which passes all our understanding shall keep your heart and mind through Jesus.”* (Phil.4:7) The greatest peace and the most expensive, priceless gift of salvation is handed to you on a silver platter. You only have to reach out and accept it... Don’t worry you are not losing your mind. A prayer: *“Dear Jesus, I give my life back to you. Please cleanse from the negative powers that try to control me. Thank you so much for giving your life, so I can be forgiven for my unloving deeds of selfishness. Help me to read and understand your word. Thank you for eternal life and please fill me with your Spirit of love,*

as I want to know you more and somehow make a difference for good in others’ lives... I mean that.”

A Cherokee Folktale

The grandson of the Cherokee chief had been causing trouble in the camp and was called into the chief’s tepee.

“Son, each one has two wayas, two wolves, inside of him, which fight to dominate our life. Each person has this fight going on inside of him.”

The boy asked, “Enisi, what are these wolves like?”

“There is the good wolf and the bad wolf. The bad one feeds on pride, is angry, arrogant and greedy. He lies to protect his ego and position.”

“What about the other waya?”

“That son, is the good one,” grandpa continued, “This one is sent by Tsalagi, the Great White Spirit. This waya feeds on humility, is helpful, has empathy, generosity, loves truth and is for peace. He stands firm and keeps his word.”

The grandson was quiet and then thoughtfully asked, “Enisi, how do I know which wolf will win in my life?”

“It is the one you feed, my son, the one you feed.”

As the universe turns on a precision timetable, so we have arrived at the threshold of time in world history where hundreds of prophetic scriptures are about to be fulfilled.

Better know and prepare accordingly.

Don’t prepare like this guy!

Judgment Day and how to escape it!

At the End of the Millennium*

“The rest of the dead did not live again until the thousand years were finished.” (Rev. 20:5) *“I saw the dead, small and great, standing before God, and books were opened.*

‘For God shall bring every work into judgment, with every secret thing, whether it be good, or whether it be evil.’ (Eccl.12:13,14)

Another book was opened, which is the Book of Life. And the dead were judged according to their works, by the things which were written in the books”. “The sea gave up the dead who were in it, and Death and Hades delivered up the dead who were in them. And they were judged, each one according to his works.” (Rev.20:12,13)

Secrets are Out in the Open

We have often said, “If God is justice then why does he allow all these bad things to happen in the world?” Remember it was God that made the world and nature beautiful, we are messing it up. However justice will be done and a malnourished child born in a war torn country, who saw his mother being raped, before both his parents got killed, will get a much, much different reward than those that instigated the war and made billions on it.
