Listen to This True Account:

(Taken from the life story of ex-Satanist Jonas)

"I served Satan for 25 years. I was the representative of the third degree in the mystery of the air.. Being at the service of Lucifer, I could represent him as a ghost. I had the power of metamorphosis... Being with the devil, I saw his glory, I saw his organization and I ended up concluding that the devil is powerful. Even today I recognize that Satan is powerful, but Jesus is the Almighty, Jesus is above all things, He makes the devil and all his accomplices tremble...

I remember one day, we were in the world of "Tartarus". We were in the middle of **meeting with Lucifer**. There was a Satanist of Togo who had pronounced the name of Jesus by mistake and all of us who were in the room, fell on the ground. Even **Lucifer fell from his throne** and found himself on the floor.

Beloved, in the name of Jesus, every knee must bow and every tongue must confess that Jesus is Lord, including those of the devil. We don't have to fear the devil if we are truly in a good relationship with Jesus."

"The name of the Lord (Jesus) is a strong tower, run into it and you are safe" (Proverbs 18:10)

Lucifer the Light-bearer

Lucifer is named after what he was, a 'light-bearer'.

"You were in Eden the garden of God; every precious stone was your covering.. the workmanship of your tabrets and of your pipes was prepared in you.." Tabrets and pipes are musical instruments. He must have produced some beautiful music, *"You were perfect in your ways.. till.. your heart was lifted up because of your beauty.. and brightness."* (Eze.28:13-19)

His pride was his downfall and he became his own opposite; no longer a light-bearer but a black hole - a.k.a.: the Devil, Deceiver, Accuser of the Saints, Murderer, etc. (Rev.12:9; John 8:44) Hence Satan's music became disjointed and vulgar. (I.e. Cradle of Filth, Soul Music for the Damned, Nunslaughter, etc.)

Black Holes or Shining Stars?

The Lord compares his children to shining stars. (Dan.12:3) - Inside each star in the universe there is a battle royal between the gravitational pull of the star pulling inwards (*negative depression of self-absorption*) and explosions pushing outward (*positive expression of helping others*). These positive nuclear explosions inside the star that are pushing outward are creating pressure to balance against the negative gravitational pull of drawing the star inwards, to make it a black hole.

When the positive energy of the star has died out, the star collapses under its own weight and it becomes a black hole. "Black holes can also consume material torn from nearby stars. In fact massive black holes can swallow stars whole." -

This shows the need to be very careful concerning the company that we keep, and not allow ourselves to get sucked into their negative pull.

Fraudulence Means Zero Obligations

But you say, "I already sold my soul to Satan, now I cannot give it to Jesus anymore, or can I?"

Yes, you can, because Satan got your soul under false pretences, telling you that: filth is clean; Jesus, who defeated him, is a weak religionist; self-harm is respect for self; disgusting perversions are love; killing is cool; it is better to be a slave of darkness than being a freeman in the light and suicide is the ultimate challenge of life. Filth and vomit from Satan himself.

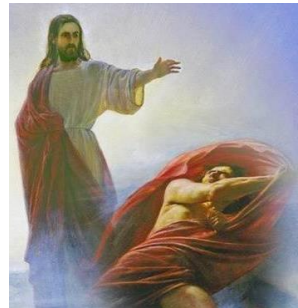

"Contracts will be voided if there is fraud by one of the parties." <https://www.legalmatch.com/law-library> (access date 31-01-2022)

You have zero obligations to him, because *"he is a liar and there is no truth in him."* (John 8:44)

Tell him in no uncertain terms that your deal with him is off and nullified. - *"Be not afraid of their faces: for I am with you to deliver you, says the Lord."* (Jer.1:8)

How Do I Break His Spell?

However none of us is stronger than Satan, so give your heart, soul and mind to Jesus and you will be safe. Satan's threatening bluffs of, "You'll never get out!" cannot do anything against you if you truly give yourself

to Jesus. His light destroys any darkness no matter how viciously evil. His love is the most powerful force on earth. His love breaks any spell and curse. - *"The Lord shall fight for you, and you shall hold your peace."* (Ex.14:14)

What is the reason for this life?

Our life on earth is a test of our character, to see what we are made of; will I help or hate, stand for the truth or fall with the lies?

If you yield to the positive and block the negative then Jesus will stand by you .He'll give you the strength and wisdom to break free. Life will become a thrill instead of a curse.

Now is your time to break out. That **only you** can decide. No one can decide for us; not God, nor Satan.

Do it now! Tomorrow could be too late as you might be back under Satan's spell, falling into that vortex of depression, contemplating to end it all. GET OUT NOW, THIS MOMENT, WHILE YOUR MIND IS CLEAR.

You and I are the most important part of God's whole creation and everything, including the devil, is to see what decisions we'll make. Once our hearts are sorted and we have made our choices for good or evil, then Satan's job is done and he will be banished.

This is definitely worth your seven minutes.

A Devoted Satanist Politician Will Prepare for Satan's Final Rule on Earth.

- The Bible refers to this politician as 'the beast'. He'll come on the stage of world politics with a seven-year peace plan, which is also the length of his tenure. With the sugar-coat of peace and safety we will swallow the bitter pill of totalitarianism, that ends in nuclear annihilation.

By the means of money and promises to save the world, mankind will be enslaved with the RFID implant (Radio Frequency Identification). * Satan will seek to eliminate anyone in his kingdom that he can't control. * See 'the Microchip Implant' in FREE Downloads

War in Heaven

At present Satan still has access to heaven accusing us before God day and night. He has a few against me and probably a few against you too. (Revelation 12) *"There was war in heaven: Michael and his angels fought against the dragon; and the dragon fought and his angels, and prevailed not.. he was cast out into the earth, and his angels were cast out with him."*

The whole caboodle was cast into the earth. Satan himself possesses the beast fulltime, while multitudes will get demon possessed. *"He is furious, as he knows that he only has a short time."* This happens in the middle of the beast's seven-year tenure. This short time is 3½ years, 42 months, or 1260 days.

At that time we'll be forced to worship a look-a-like android or image of the beast as our god. This thing will be placed in the newly built temple in Jerusalem.

"The image of the beast will speak and cause all those who won't worship the image to be killed." (Rev.13:10)

Jesus told us to FLEE as then it's great tribulation - But *"Immediately after the tribulation we will see the Son of man coming in the clouds to gather his children"** (Mat.24:29-31) * See 'When Will it Happen?' in FREE Downloads.

Jesus Was Tempted by Satan Like All of Us

Temptations of: Hunger, Pride, Selfishness, Narcissism and Suicide and when that failed Satan offered him everything for the price of his soul: Wealth, Money, Power and Politics. (Mat.4:3-11) The only way Jesus could withstand him was by quoting the scriptures.

If we are under attack and going through a difficult time, then we have to strengthen ourselves by memorizing scriptures that speak to us, then we learn how to fight like Jesus did and come out on top. *

A Deciding Stand

"Dear Jesus, please forgive me for going over to the dark side. I turn my life totally over to you. Please, cleanse me and now that I am yours I don't want anything that is not of you." - Study any of the gospels and let Jesus speak, cleanse and forgive.*
