

Daniel chapter 2

Overview of World History

Can we as mortals transcend the boundaries of our four dimensional parameters and travel into the dimension of the eternal now?

We time travel in the book of the prophet Daniel chapter 2. Verse 1: We go back to 604 B.C. to the Babylonian emperor's bedroom. It is early morning and he awakes in shock. He is

Nabu-Kudduri-Usur

bothered by a vivid dream, but cannot recall the dream. 2: At the break of dawn he calls his wise men and soothsayers together and asks them to tell him the dream and what the dream means.

4: "Most noble king, you will need to tell us the dream and we will tell what it means."

5: "If you cannot tell me the dream and what it means then you are a useless lot and a waste of tax-payers money. Get out of my sight!"

10: "But king, there is not a man on earth that can tell what you ask of us. No king has ever asked this of any magician, or astrologer."

12: The king is furious and **orders the captain of the king's guard to put them to the sword.**

13: There is a **Jewish teen boy**, named Dan or Daniel, who was taken captive to Babylon. Dan is also involved and his head is about to roll.

16: **Dan goes to the king and requests for time. He confidently states that he'll tell the king the dream and the interpretation.** Time is granted.

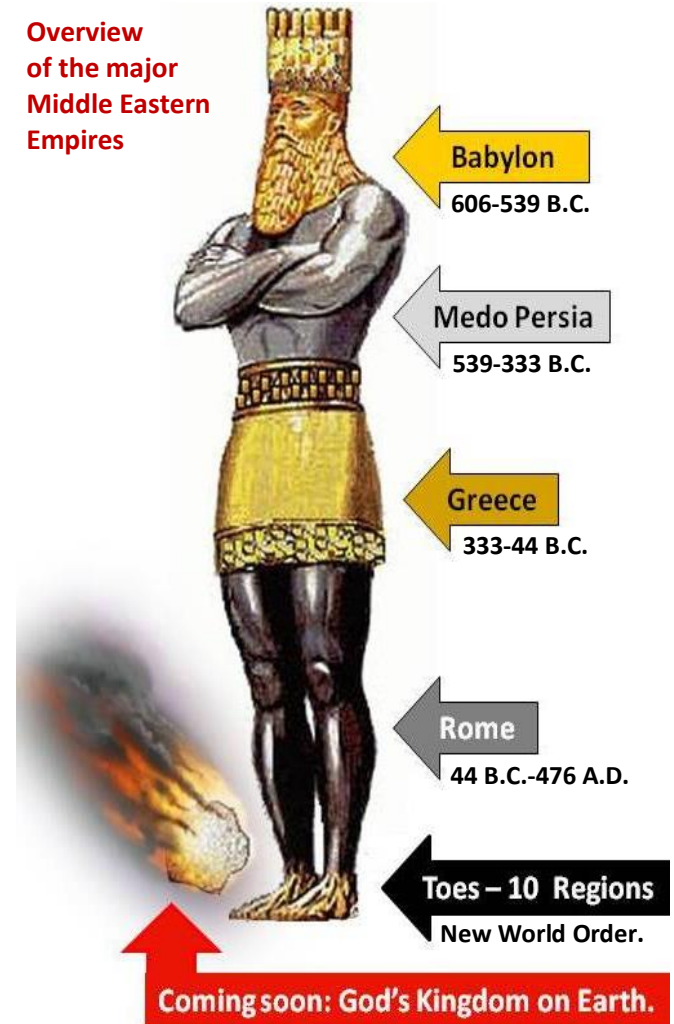

17-19: At home, with his three friends, he starts praying, asking God to show them the dream and the meaning. **Prayer is answered.** God shows Dan the dream and the interpretation.

27: Off to the King. "Can you tell me?" **"Nobody can, and it is not of any wisdom that I have,** 28: **but there is God in heaven who reveals secrets.**

The dream tells the future and what shall be in the last days.. 30: **for the sake of those living at that time this dream was given to you.**

31-35: **This is the dream:** You saw a large statue. 32 & 38: **The head was of fine gold.** You king, are the head of gold." He speaks to Nabu-Kudduri-Usur, or Nebuchadnezzar who was the first and main king of the **BABYLONIAN EMPIRE.** (Babylon had gold in abundance. Even the street leading to the temple of Murdock was paved with gold.)

Overview of the major Middle Eastern Empires

32 & 39: **“The two arms and chest are of silver,** which is an inferior kingdom & comes after you.” (This represents the dual empire of the **MEDES AND PERSIANS**. Persians had the Power and Medes the Mind. Two arms are two empires joined together. Their jewellery was mainly silver.)

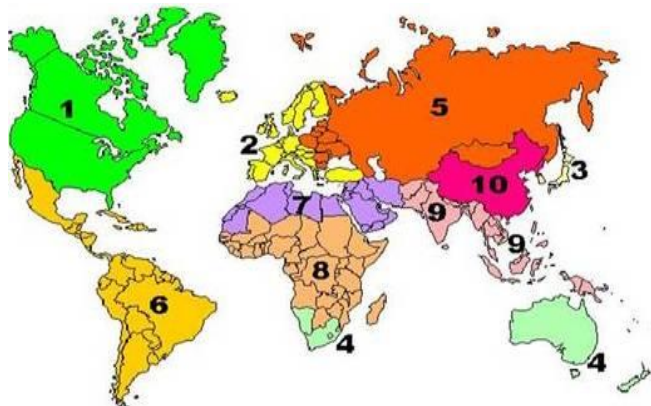

“The third kingdom is the belly and thighs of brass;” GREECE. (Greek art is much in brass. In that part of the body are the sexual parts and Greeks are known to have been ‘sexually liberated’; ‘solar plexus’ a.k.a. the spiritual seat, hence the Greek mythology and wise men)

33 & 40: **“Two legs of iron** is the fourth and cruel empire.” **THE ROMAN EMPIRE.** (Rome was cruel as iron and executed people by crucifixion. Legs signify the Roman armies marching all over Europe and North Africa. Two legs, as Rome divided into Eastern and Western Roman Empire)

33 & 41: **“Feet and toes of Iron and Potter’s Clay.”** (Potter’s clay with individual particles represents democracy, while iron is for dictatorships.)

Two feet SIGNIFY OUR PRESENT DAY SPLIT WORLD OF **EAST AND WEST.**

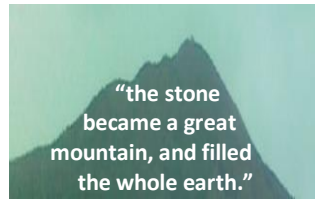

41: **The toes are ten.** **THE TEN TOES SIGNIFY TEN KINGDOMS,** or the ten political economic regions soon to come. In 1972 the world was divided into ten regions by the ‘Club of Rome’.

These ten kings are known as the ten horns In the book Daniel and Revelation. (Revelation 17:12) *“These ten kings. . have received no kingdom yet, receive power as kings one hour with the beast.”* **These ten regions will receive power during the globalization drive at the same time when the beast, or the Antichrist, comes into power** with a seven year peace covenant. He will be the much admired world leader and messiah of the New World Order. Seven years are the tenure of his reign, which will end in a **nuclear disaster**. At that time we have the arrival of:

THE STONE;

44: “In the days of these (10) kings shall the **God of heaven set up a kingdom,** which shall never be destroyed: and the kingdom shall not be left to other people, but it shall break in pieces and **consume all these kingdoms,** and it shall stand for ever.

45: The great God has informed the king what shall be **the future developments. The dream is certain,** and the interpretation is sure.”

46-48: **The king falls upon his face..** saying “Your God is the God of gods seeing you could reveal this secret.” And he makes Daniel a great man.

The stone which smites the image refers to the **Return of Jesus and the Battle of Armageddon** when Jesus returns to set up God’s Kingdom.

35: The statue of the ‘body politics’ crumbles to dust, which the wind blows away, it is no more!

*“This is **THE STONE which the builders rejected..** And whoever shall fall on this stone shall be broken: but on whoever it shall fall, it will grind him to powder.”* (Matthew 21:43,44)

*The stone which the builders rejected – Jesus is now pretty much rejected by the political builders. **If we harden ourselves** like the worldly body politics, then our future does not look too promising. However, **Whoever falls on the stone shall be broken - when we truly come to Jesus, our heart breaks** and we want to change to become more loving. A prayer: “Dear Jesus, I give you my heart as I want to be part of your kingdom, where love, forgiveness and truth will reign. I am looking forward to that. Change me into a person who is driven by these principles as I study the gospels.”*
