

How do others besides the Bible see our Future?

In case we have been conditioned against the Bible and don't believe what Jesus said, then let's look outside the Bible at other religions and prophets and how they confirm the coinciding biblical forecasts.

In [Hinduism](#) we learn in the Bhagavat Gita about the 'Ghor Kaliyuga' before 'Ram Rajya', which is the 'extreme dark period' before 'God will reign'.

In [Islam](#) we learn about the 'Reign of terror of the Dajjal (Antichrist)' before the 'Return of Isa (Jesus)'.

Jeanne Dixon was an American prophetess (1904-1997). She warned the President John F. Kennedy not to go to Dallas where he got killed. She wrote the following about the False Prophet and Antichrist: "The [False Prophet](#)'s domain shall be the **intellectual**

seduction of mankind. It means a mixture of **political, philosophical, and religious ideology** that will throw the populations of the world into a **deep crisis of faith in God**...

One of his first duties and responsibilities in readying the world for the advent of his 'master' is to **manipulate the available propaganda machines***. With teaching and propaganda, the prophet will cause people not merely to accept the [Antichrist](#) but rather to **desire him** with positive enthusiasm to **create the conditions of his coming**** and to participate in **organizing the frightful and terrifying despotism of his World Empire."**

* Daily we receive information in the **propaganda machine** that seeks to influence our mindset; we are herd animals that need to be culled to keep the balance of nature; we are alone in this world; God is old hat and mentioning Jesus isn't politically correct, while family values are of bygone days, etc., etc. Our moral values go one after another into the bin.

BREAKING NEWS Nascimento said, "Rebellion is not what most people think it is. Rebellion is when you turn off the TV and start educating yourself."

** These created conditions are fuelled by the motto: "**Let us do evil so good may come.**"

The two main 'conditions' are;

No. 1 are the Satan inspired wars (Mat.24:6). Ruin, horror, destruction and the slaughter of people, women and children are becoming such, that we all desire a strong leader who can enforce world peace. **No. 2** is that the [economy will collapse](#) like a house of cards. The Antichrist will give us new hope as he will erase all or part of the debts to the 'World Bank', 'IMF' and big financial institutions (Dan.11:24). He'll promise a new world economy of which we can all partake with the **666-RFID-implant**. (Rev.13:16-18)

Why will we be so deceived?

We need to understand the original Greek words: **ἀντί Χριστός**, which is translated in the Bible as anti-Christ. Anti now means 'against' - Anti in the original Greek is ἀντί and means 'instead of'. Anti-Christ literally means 'Replacement or Instead of Christ'.

He'll be 'the new messiah' of our disaster-headed world. He'll be the leader of the New World Order; bringing world peace, jobs and food on the table. He will come from behind the curtains onto the political world stage (2Thess.2:3). He will introduce a genius '**international economic and political peace treaty**' that will be confirmed by many. (Daniel 9:27)

No one knows the day or the hour of the Lord's return (Mat.24:36). **But the signing of this treaty activates hundreds of prophetic scriptures.** Then according to the prophet Daniel, the **seven-year hourglass/timebomb** starts ticking... ending in nuclear war and the Lord's return (Daniel 9:27).

As humans on earth, we are limited to our four dimensions of time, length, width and height.

However, during that seven-year period there is a war going on in heaven. Satan needs to recruit his demons to fight Michael and his angels, so at that time, we'll have less [mental health](#) issues here on earth. Michael and his team win this battle. Satan and his demons get hurled down (Rev.12:7-9).

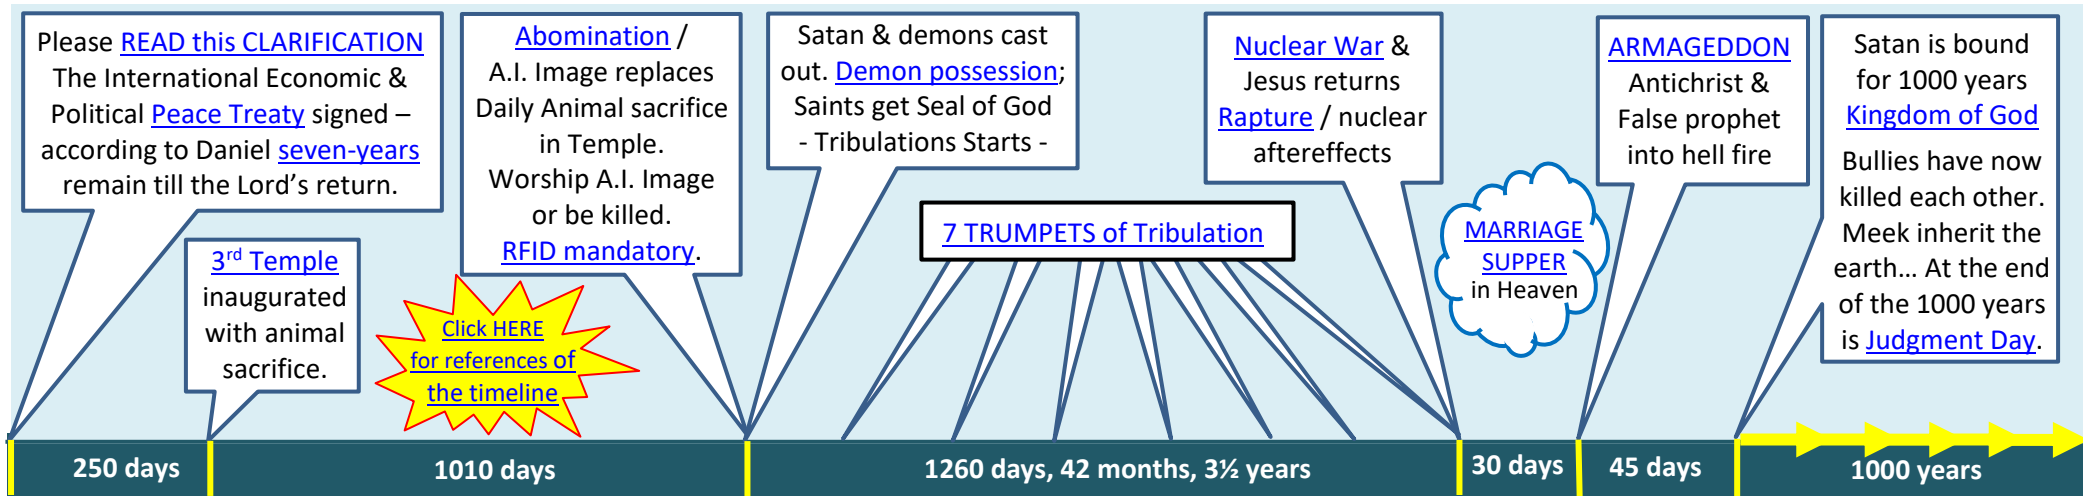

They are bad losers and the war comes to earth.

Satan possesses the world leader, while [demons](#) will seek to possess people. **But no demon is stronger than the Holy Spirit and cannot enter where the blood of Jesus covers the doorposts of our heart.**

(Ex.12:23). Satan wants total control by enforcing the RFID (Radio Frequency Identification) implant. According to Daniel 'in the middle' of the seven years, that is 3½ year after the treaty is signed, the animal sacrifice is stopped in the temple and is replaced by the abomination (Dani.9:27). Jesus tells us that this will be the start of the [great tribulation](#) (Mat.24:15-21); a.k.a. the [Ghor Kaliyuga](#), the [reign of the Dajjal](#) and the [despotism](#) of the Antichrist's world empire.

Timeline of the last seven-years (not to scale) Please check the links to get the full picture.

The abomination is the same as the A.I. image of the Beast (Rev.13:14). The False Prophet will order demons to enter the image which will make it look that it is alive and speaks. The demons detest Jesus and God’s children, forcing them to worship before the image (Rev.13:15). [What will be my final choice?](#) ‘They loved not their lives unto the death’ (Rev.12:11); because death is to their favour as they immediately arrive in heaven... Their motto: [‘What is death but the door to eternal life.’](#) “Eye has not seen what God has prepared for those who love him.” (1Cor.2:9) Welcome Home! You made it... time to celebrate!!”

Michel de Nostredame (1505-1566) is also known as **Nostradamus**. He foretold three Antichrists coming: “Napaulon Roy” (Napoleon) “Hister” (Hitler) and “Ma bus”, the final one.

[Napoleon](#) (1769 -1821). [Adolf Hitler](#) (1889-1945). [Ma bus](#). Let’s keep our eyes on the news and

see when he, or whatever his name might be, will come out centre-stage from behind the curtains, and how the puzzle pieces will fit together.

Nostradamus wrote further, “He will be the terror of mankind. Never more horror... A cold and cruel heart, blood will pour, mercy to none...*

The sky will burn at forty-five degrees. Fire approaches the great new city... By fire he will destroy their city**...”
* This refers to ‘the tribulation’. It’ll be cooperation or elimination; the slaughter of those that don’t fall in line and don’t worship his talking puppet as their God. This period lasts 3½ years and is cited 8 times in the Bible as 1260 days, 42 months and 3½ years. (Daniel 7:25; 9:27; 12:7 & Rev.11:2,3; 12:6,14; 13:5)

To show that God is not pleased with the killing of his children the angels sound seven tribulation trumpets, which are [natural disasters](#) to keep the world government in panic and in dire state of emergency, besides persecuting his children.
** The sky will burn at 45°.

Experts agree that the new city at forty-five degrees latitude refers to New York (between 40° and 45°). New York represents the head of [‘Babylon’](#), the capitalistic, commercial system of selfishness, greed, power and corruption with no concern for the poor. She rules from N.Y. through the financial centres. The fire refers to her nuclear destruction which happens at the end of the seven years. (Rev.17 & 18)

In the world’s darkest hour ‘the Light of the World’ will break through. ‘Immediately after the tribulation of those days shall the sun be darkened; the moon shall not give her light and the powers of the heavens shall be shaken’ (*nuclear destruction*) then simultaneously Jesus returns to collect his children (Mt.24:29-31).

A prayer;
“Dear Jesus, if this has any reality to it, then I want to [know you](#) and I ask that you will keep me through this time to come and that you will help me to stand strong against the lies by knowing your truth. I commit to reading what your disciples [Matthew](#), [Mark](#), [Luke](#) and [John](#) recorded about your life.”
