

# What's AGI... & when does the last 7-year stretch start?

Ever since Jesus left this earth the time of the end has started ticking away. However now it seems that we are nearing the final 7-year stretch to finish line.

It is not until now that specific prophecies are being fulfilled; i.e. Daniel refers to the final government and king of this world as a horn that had 'eyes of a man' and a 'big mouth' speaking great profanities. (Dan.7:8) The eyes are the CCTV, IP, DVR or NVR cameras as well as the ones on our phones, CP's and laptops. The eyes of a man are, 'Big Brother is Watching' for our coming world leader and his government. The 'big mouth' will come. The stage is set with wars and economic collapse, so we'll all want a [strong leader](#) to save our disaster-headed world. The Bible refers to this strongman as the [Antichrist](#) or 'the beast'. Don't worry, he will come and take centre stage on the political platform as the "saviour" of our world with an 'International Economic Political Peace [Treaty](#)' which is signed by many in the U.N. (Dan.9:27)

The world will be divided into ten political economic regions along with new worldwide credit system to replace cash... The Jews will get the okay to build their [temple](#) and reinstall animal sacrifice... the [RFID](#) (Radio Frequency I.D.) will be promoted... along with all the "good things" that will move our world forward.

**There will be economic growth** as the financial conglomerates are backing him and he will win us over with [financial perks](#). (Dan.11:24) We will have relative [mental peace](#) as Satan needs his demons to fight Michael and his angels in the heavenlies. This happens during the first 3½ years after the Treaty.

We also have the [False Prophet](#), a religious hoax and liar (John 8:44) who will promote this new leader as the new "anointed saviour, our Christ incarnate".

**After the 3½ years of relative peace** and economic growth, the war in heavenlies is won by Michael and his angels; Satan and his demons are cast out into the earth, 'having great wrath, knowing that time is short,' (Rev.12:12) 3½ years. They are bad losers and hate God's children; it's [persecution](#) pandemonium. Satan will possess our world leader and the [demons](#) are back full force to disturb our mental peace.

**At present we have A.I.** "helping us" and now the scientists are developing **AGI** (Artificial General Intelligence) meaning that **this technology can draw its own conclusions and make its own decisions and perform tasks beyond that it was trained for.**

The race to develop AGI is on

**reasoning psychology.** From this we can understand that scientists are entering more and more into the spiritual realm. We know that spirits and demons can operate in the physical, i.e. Ouija boards, poltergeists, etc...

The AGI technology will be demon infested and used in the image of "our saviour". **This AGI freak oracle can give us the death sentence if we refuse to**

**worship it.** (Rev.13:15) This happens 3½ years after the 'Treaty' is signed. At that time, the False Prophet will, under the cloak of

science, command demons to control the image so it looks like it's alive. The Prophet Daniel refers to this image/android as the 'abomination'. (Dan.11:31)

**"Our saviour" will stop the daily animal sacrifice** in the Jerusalem temple, as it is a transgression of the animal rights. (Dan.8:12) And this God-damned AGI image will replace it. I say 'God-damned' as it is damned by God. Jesus said, 'when you will see the abomination in the temple; **Flee, Run, Move for then shall be great tribulation.**' (Mat.24:15-21)

The tribulation is the last 3½ of the seven years - 42 months or 1260 days. (Lunar calendar year is 360 days)

"Our saviour" 'shall honour a strange god whom his fathers knew not... (AGI-androids/oracles) and he shall cause them to rule over many.' (Dan.11:38,39)

These **AGI-human-androids will eventually be given positions in gov't administration** to rule over us.

**Many of us End-time Runners will think that we've passed the finish line and that Jesus has forsaken us** as he should have returned to give us the medal

of honour for having run and he should have raptured us.

But, to the contrary Jesus clearly stated, 'at that time there will be great tribulation.' (Mark 13:14,19 23) And assured us that he'll return **immediately after** the tribulation.

Many of us will give up and drop out of the race as we believed the Pre-Tribulation lies. **This tribulation part of the run will require 100% dedication to reach the actual true finish line.**

The first 3½ years is easy sailing and we hope to sleepily float across the finish but **what we expected to be the finish line is the start of a hurdle race.** Many will mentally run into that brick wall that most marathon runners experience at some time or another. 'What's the use and why am I doing this?' We're so weakened by our false prophets and their sermons that many of us will collapse and fall away.

'Yeah, Jesus hasn't returned for 2000 years and now I have to run and jump these hurdles and give my all to make it to the finish line; Forget it. What if they'll move the finish again? I'm leaving this nonsense.'

My question is: 'Why should we waste our time and money running, if we are planning to drop out?'

**The finish is not where we are told it will be** by our bigtime false prophets lying to us. (Mat.24:11)

**No matter how many of us believe the same thing, but what Jesus, Daniel, Paul, Revelation and the Bible say, that will stand, and the preachers that stick to that, they are true prophets.** We can also believe the free-mason sponsored Cyrus Scofield bible and his sly interpretations of scripture that fits the Pre-Trib rapture finish line. That choice is ours.

**It is beyond me that anyone has the nerve to twist Jesus' words from After to Before the tribulation;** he didn't hang on the cross for six agonising hours to tell us half-truths, that we can change to get crowds.

Paul says, 'because they believed not the love of the truth **God will send them strong delusion** that they should believe a lie and that they all may be damned who believed not the truth.' (2Thess 2:8-10)  
Very strong words; yet, **WE** believe what **WE** want.

**We are not there yet, and we still have to wait for the starting signal of this last seven-year-stretch.**

It seems that our Antichrist "saviour" comes from Russia or one of the former Soviet states, as he's the 'king of the north' (Dan.11:40) meaning north of Israel. Now we got President Putin (check this link), who does not fit the Antichrist picture. When he's no longer in power we'll get a new person in Russia 'a raiser of taxes', but he won't last long. (Dan.11:19,20)

Ladies and Gentlemen, after this tax-man will stand up a **vile\* person** \*(despicable, abhorrent, revolting) who will come to power with flatteries and he is also **the prince of the covenant. He's the one, the Antichrist,** and he will introduce the 'Int'l. Treaty'. (Dan.11:21,22) While we are all starstruck by him, he will set up the cruellest dictatorship ever known in world history.

**So, when Putin comes to his end,** we need to get ready and go to our starting blocks for the last seven-year final stage of our Run.

The 'Int'l. Treaty' will be heralded as **"the dawn of a new day and new world for many years to come."**

However, the Prophet Daniel states clearly that **this 'Int'l. Treaty' will be the starting point of the last seven years before Jesus returns.** (Daniel 9:24-27) Here is no room for error. I'll Repeat: when the AGI image is activated is **not the time of the rapture but the start of the tribulation,** which ends with the 7th and last trumpet. 'Immediately **after** the tribulation the sun is dark... the powers of the heavens shall be shaken (Nuclear war) **Then and only then** we will see the Son of man coming in the clouds'. (Mat.24:29-31)

Jesus says, 'he that reads this, let him **understand.**' (Mat.24:15) 'Know therefore and **understand**' (Dan.9:25) **Understand** is used 23 times in Daniel and 25 times in the Gospels. 'Those who do **not understand** are like the seed that **falls** by the wayside.' (Mat.13:19) 'People that do **not understand** shall **fall.**' (Hos.4:14)

I'm not trying to be a calamity howler, but just want

to prepare us so we will survive this mess, and come out as a full of faith winner to greet the Lord unashamed. 'He that shall endure unto the end, he shall be saved.' (Mat.24:13)

Let's collect oil in our jars so we've got light to meet our Bridegroom coming at midnight. (Mat.25:1-12)

We can also bury our heads in the sand, hoping that it will all go away, but **what is written will happen - 100%.**

**This pamphlet is very incomplete,** but there are several short books available on how things will soon unfold. For Bible study 'The Little Book' is in pictures and a scriptural alternative to the many preached theories.
