

During the first 3 1/2 years of the Antichrist’s reign there will be relative **mental-health peace**, as Satan needs his demons to fight Michael and his angels in heaven. Satan loses this war and is cast out into the earth with his demons; **the war comes to earth**. They are bad losers and will hate those that believe in Jesus (Rev.12:7-15). Many become demon possessed and Satan possesses the Antichrist and his Image, which we have to worship or be killed (Rev.13:15); better **be gone by that time**. Jesus said to FLEE, Run, Move to the mountains and wilderness, (Matthew 24:15-21) Where he’ll take care of his children (Rev.12:6).

As the universe ticks on a precision timetable, so we are nearing the doorstep in time where we shall watch Bible prophecy unfold.

The last 7 years before the return of Jesus - Taken from Daniel Chpt 9 : 24-27

The word 'seven' in Hebrew is "Shabua" which can mean: seven, one week, seven years or 7 time-periods. In Daniel 9 **week means 7 years** (Gen 29:27)

In Dan 9: 25 & 26 we learn that it took 7 sevens or 49 years from the **Commandment 454 BC** to restore and build Jerusalem, which was completed in 405 BC. We also learn that the **Messiah is cut off or dies 62 sevens, or 434 years later (29 A.D.)**. The birth of Jesus was 4 B.C as confirmed by historians. We will concentrate on the remaining 70th seven in verse 27. At the end of this last 7 years, we learn in verse 24 that the **Most Holy (Jesus) will be anointed** in other words Jesus returns. We know that the last seven years end with the return of Jesus and he will be anointed King, but will we know when they start? **The answer is in verse 27 - AT THAT TIME HUNDREDS OF SCRIPTURES WILL BECOME FILLED.**

Daniel 9:27 "And he (*meaning the Anti-Christ or AC*) will confirm the covenant with many for 1 seven (7 years) and in the midst of the seven (*after 3½ yrs*) he shall cause the sacrifice and the oblation to cease (*stop*) and for the overspreading of abominations (*image of A.C*) he shall make it (*the temple*) desolate, unto the consummation (*Wrath of God - Nuclear Aftermath*), and that determined (*without fail*) shall be poured upon the desolate (*the AC and his followers*)" - **TIME starts ticking** when the covenant is signed 7 years X 360 (lunar calendar) = **2520 days left**
