

# Questions versus Doubts

The other day I was talking to a gentleman, who had some questions about the Bible? He said, "I have these doubts." We got more into the conversation and I forgot to correct him about him saying that he had doubts. He did not seem like the man that had doubts about the Bible, he just had questions, so I told him that there are more than 100 pamphlets in my website in which I address questions that I also had, and that he should read "Questioning Jesus" Questions are a thirst for knowledge and a positive seeking for answers. Jesus said I am the light of the world; this seeking for answers is reaching out towards the light, like the trees and plants reach up towards the sun.

Jesus said, 'Seek and you shall find.' If we truthfully seek an answer from the Lord, and acknowledge him by saying, "Lord, can you please show me" then we will get it. Most likely not in an audible voice, but a thought will cross our mind in the night or early morning while we're still waking up and then 'bingo' the lightbulb comes on in our brain, "Of course that's how. I didn't see that it was so simple."

Because we acknowledged the Lord then we should also thank him for showing us, and not think to ourselves, "Hey I am a pretty smart person."

## A Question is Not a Doubt

This is very important to remember as doubts are contrary and negative. Doubts are; my mind is made up and don't confuse me with the facts. **Doubt is the foundation of Atheism;** scepticism and criticizing God by assuming that he is characterized in our religions. Nothing could be further from the truth. We don't look further, beyond the failings of religion and we throw out the baby with the bathwater. We say, 'It is all rubbish; I am not going to waste my time on that.' We think we have the truth and the others are deluded simpletons with an unseen God. **Atheism gained popularity** during the last centuries as the Bible got translated into everyday languages. The darkness sought to extinguish the light and we had "The Age of Enlightenment" promoted.

Jesus said, 'If the light that is in you, be darkness, then how great is that darkness.' (Matthew 6:23)

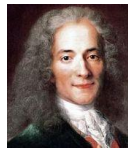

We had philosophers like Voltaire and authors like Thomas Paine, who published '*the Age of Reason*'.

**Nietzsche** (1844-1900) said, 'Gott ist tot'. At the age of 45 he was mentally incapacitated for the last 11 years of his life.

Read a few of the atheists' last words as they faced the Truth on their death bed.

**Voltaire** (1694-1778 - Famous French philosopher and writer)

"I am abandoned by God and man... I shall die and go to hell!" (*His nurse said: "For all the money in Europe I wouldn't want to see another unbeliever die! All night long he cried for forgiveness."*)

**Thomas Paine:** (1737-1809) "Stay with me, for God's sake; I cannot bear to be left alone, O Lord, help me! O God... I would give worlds if I had them, that 'the Age of Reason' had never been published... I

am on the edge of hell here alone. If ever the Devil had an agent, I have been that one."

**Sir Francis Newport** (1620-1708) Head of an English Atheist

club), to those gathered around his deathbed: "You need not tell me there is no God, for I am in his presence! You need not tell me there is no hell. I feel myself already slipping. Wretches, cease your idle talk about there being hope for me! I know I am lost forever! Oh, that fire! Oh, that I could purchase the favour of God and be united to Him again. But it is a fruitless wish..."

**Anton LaVey** (1930-1997 Author of '*The Satanic Bible*' and

high priest of the Satanic worship religion.) His dying words were: "Oh my, oh my, what have I done, there is something very wrong."

'My people are destroyed for lack of knowledge: because you have rejected knowledge, I will also reject you.' (Hosea 4:6) As Einstein said, "**It is what we think that we know, that keep us from learning.**"

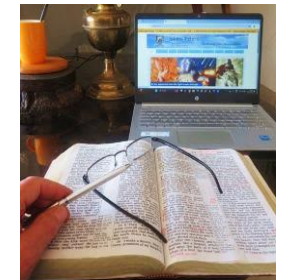

When we stop learning, because we think we know it all, then we've become brittle with pride and no longer pursue our God created, human values.

Just before his crucifixion Jesus said to Pilate, 'For this reason was I born and that is why I came into the world to bear witness of the truth. **Everyone who wants the truth listens to me.**' (Jn.18:37)

If Jesus is truth and 'his name is called the Word of God', (Rev.19:13) then his word is the ultimate truth. He says, 'Heaven and earth shall pass away but my word shall never pass away.' (Mat.24:35)

If we desire a closer relationship with Jesus then we need to study his word as he is the Word of God.

I have heard people say, "I don't understand this in the Bible and I will ask the Lord about it when I get to heaven." However, the Bible is not written to ask the Lord about later, in heaven. The Bible is written for us who live on earth right here and now. It is the book that shows us how to live life today, not in the future after we die. At that time there should be a whole new set of lessons to learn.

**If however, we prefer to block our thirst for knowledge** by closing our mind's door and we go so far as to prove the Bible wrong, then we have to stoop to lies, and lies are hard to shake. Be careful to not absorb them. Once as a child I went to bed and fell asleep with chewing gum in my mouth. When I woke up in the morning the chewing gum was stuck in my hair. The only way I could get rid of it was to take the scissors and cut it out. The same is true about listening to a lie, before you know it you fall asleep with it, thinking, "I will have to sleep on that one", and it sticks in your head and you can hardly get rid of it anymore, except to cut it out by submerging yourself in the truth of his word.

It says about the coming Antichrist that, 'he shall wear out the saints of the most-High.' (Daniel 7:25)

Did you ever feel worn out after someone chewed off your ear for an hour or more. This guy is an incessant talker, liar, and constantly comes up with new "truths"

about how the Bible is old hat. He will try 'to deceive the very elect.' (Matthew 24:24) and 'cast the truth to the ground' (Dan.8:12) with breaking-news-headlines, "scientific theories" and "discoveries", declaring the truth of God's Word obsolete. We'll wonder about it at first, but then we might conclude that the truth is somewhere in the middle and we exchange our Bible bedrock for a sandy foundation (Mat.7:26).

Jesus said that, 'Satan was a **murderer** from the beginning, and abode not in the truth, as there is **no truth** in him.

When he speaks a lie, he speaks from his heart: because he is a liar, and the creator of lies.' (Jn.8:44)

Why do you think we have so many wars throughout history? Because **he is a murderer** and he brings out the worst in us: violence, mass shooting, so-called "just" wars, slaughtering and destroying hundreds of thousands. Setting populations against populations in civil war, ethnic cleansing, retaliation, revenge, etc. "**Divide and Murder**" is his slogan.

Satan holds a bag of rotting, stinking manure; with greed, wars, addictions, porn, pseudo-science, etc. - all soaked in demonic lies. Mind you, he has a pretty good aim. He has been practicing for the last 6000 years and not without success. Before you know it, you are hit. It will stick to you and you feel dirty, unless you bathe and soak yourself in God's word. Satan wants everyone, and that includes you and me, to become rotten like himself, till only filth, contempt and violence will come out of our mouths.

"Oh, but it's only a white lie." There is no such thing as a white or black lie - a lie is a lie - and it starts pretty much always because money is involved.

People fighting like dogs, pulling, growling and barking over an inheritance.

People who we thought were trustworthy take off with our money. Money and greed are the main reasons we fight like dogs; let's declare war to get their oil, their minerals, their diamonds and gold.

**The more we lie**, the more we dedicate ourselves to Satan and become his property; the harder it is to get free from his clutches. Don't think, "Oh, I go to church, so I am saved and will go to heaven." Jesus said. 'Blessed are they that do his commandments, they have right to the tree of life, and may enter through the gates of the heavenly city. But **outside are... they who love and create lies.**' (Rev.22:14,15)

And my friend, this includes a lot of "saved" religious people.

**To top it off we have the audacity and travesty of truth** to say that we commit these atrocities of wars in the name of God. Our cup of iniquity is filling up fast, culminating in nuclear war when darkness, which is the absence of Light, has finally covered the complete earth. (Isaiah 60:2)

**The radioactive fall-out** will destroy our complete marine life, our drinking water sources, our ozone layer in the stratosphere and in-turn the sun will burn like fire. We will have created the nuclear night and those of us who have taken the RFID-microchip-implant will get an extremely painful sore, as the radiation causes the lithium from the battery of the chip-implant to leak into our body, resulting in an explosion as our body is 50 to 60% water. (Watch this 1 min clip how lithium explodes in contact with water)

**Satan's gloating HEYDAY** is when the atom bombs are exploding and our destruction is complete. Then, and only then, when the powers of heaven are shaking, the Lord will step in. In the darkest hour, the Light of the world, Jesus will gather his bride, his children. (Mat.24:29-31) This will then be Followed by Armageddon, before the Millennium of Peace.
