

Hey... get off the track!

THE TRAIN IS COMING

The disciples asked Jesus, 'Tell us, when will be your coming and of the end of the world?' ([Matthew 24](#)) Jesus expounds on the signs before his return: wars, earthquakes, diseases, famines, etc. These are now happening and **the generation that sees those signs shall not pass away till all is fulfilled; so that's us.**

'But of that day and hour knows no man, no, not the angels, but my Father only.'" (Mat.24:36)

In Matthew 24:15 Jesus refers to the Prophet Daniel and quotes from Daniel 9:27 which talks about the [signing of the covenant](#) by many for seven years and the coming abomination standing in the temple.

The '**confirming of the covenant** by many' according to Daniel starts the [last seven years](#) of our present history. **Nobody knows when it will be signed**, but when it happens, it'll be announced as the beginning of the **New World Order - the NWO.**

Then according to Daniel the prophet, the time bomb of the last seven years starts ticking. The signing of this treaty is **the pivotal point**, when literally hundreds of [prophetic scriptures](#) are activated to be fulfilled.

The Bible refers to the genius initiating this treaty, as **the beast** or [the Antichrist](#), aka the NWO Leader.

The Treaty, signed by many in the UN, promises peace, a new economy, no more cash, but a worldwide digital currency. National sovereignty will end as the world will be divided into ten political economic regions. This treaty is also called the '[holy covenant](#)', so it will have religious implications. It will include that the **Jews can rebuild the [third temple](#)** and reinstall **animal sacrifice** as per the book of Leviticus. Jerusalem will become the religious capital for Jews, Muslims and Christians.

During the first half of the seven-years, we will have **economic recovery and jobs**, as the large monetary institutes are backing him. The Leader has 'no desire of women and he shall magnify himself above every God.' (Daniel 11:37) He is LGBTQ and has a very high opinion of himself, exalting himself even above God, which gives him **a widespread following.** (Rev.13:4) There will be [financial perks](#) for the people that take in [666-RFID](#) (Radio Frequency I.D) **implant** (Rev.13:16-18) The ten regional groupings of different countries that accept him as their boss, will get their **debts to the IMF and World Bank partly or completely erased.** (Dan.11:24) He wars to subdue the Middle East, but the war conflicts that now rage will end.

There will be relative mental peace; why is that?

Confirming the treaty is big news, not only on earth, but also in the heavenlies, where it starts a big war. Satan, who has now access to heaven and is accusing us before God day and night, as useless or [collateral damage](#) (Rev.12:10), will then fight to keep that privilege. 'There was war in heaven:

Michael and his angels fought against the dragon; and the dragon fought and his angels.' (Rev.12:7)

From this we see that Satan will recruit his angels or demons to fight Michael and his angels in heaven.

With the fear-spreading, depressive demons fighting in heaven we'll have relative mental peace on earth.

On earth, we'll see a False Prophet rise. (Rev.13:11-18)

He can do miracles and **call down fire from heaven.** **He deceives** and with his **lying wonders** makes it his calling to promote the divinity of the NWO Leader. Towards the latter part of the first 3½ years the Leader invades the Middle East again and this time he attempts to include Israel, as it's almost certain that Israel is not sticking to the peace agreement. However, 'the ships of Chittim (old name for Cyprus) shall come against him and he turns back.' (Dan.11:30) Since Cyprus got her independence in 1960, the UK

has kept two SBAs (Sovereign Base Areas) from which the RAF along with what's left of the Nato operates. The ships of Chittim

applies, possibly to the UK, but mainly the US ships and airships, as the US will no doubt stand by Israel. The Leader turns back and is furious against the Holy part of the Covenant; he connives a plan to hit back at Israel, without confronting their powerful ally. His focus is on Israel's most sensitive spot: **the Temple.** Towards the end of this first 3½ years, there is an **assassination attack** with a sword on the Leader, which he barely survives. (Rev.13: 14,3) [The False Prophet](#) inspires 'them that are on earth, that they should make an image' of the Leader that he can speak through as buffer to avoid further attacks.

What happens at midpoint of the seven years?

At the end of the first 3½ years Michael wins the war and '**Satan is cast out** into the earth, and his angels are cast out with him... Satan is furious because he knows that he only has a **short time left.**' (Rev 12:10)

That short time is 3½ years - the second half of the last seven years. At this time the war comes to earth and they are bad losers, hating God's children. Satan himself will possess the Leader, while the [demons will go after the humans.](#)

In the original Greek, Antichrist is **αντι Χριστός** **Αντι** literally means 'Replacement' or 'Instead of'. We've accepted that **αντι** is anti or against Christ, but in the original Greek it is; Replacement of Christ. Many will believe that **the Leader replaces Jesus**.

He has 'a mouth speaking blasphemies against God and power was given unto him to continue for 42 months' - **3½ years**. (Rev.13:5,6) At this time the Leader uses the UN peace keepers to hit back at Israel. They will move into the temple and stop the daily animal sacrifice. (Dan.8:12) The 'Animal Rights' crusaders will love him, as **he replaces the animal sacrifice with the abomination of desolation**.

(Daniel 9:27) This abomination is the same as the image of the beast, an A.G.I. android, that looks like the Leader and that can speak for him and for Satan himself. This thing will demand our worship, but if we refuse then this 'God Damned' (it's damned by God) puppet orders the death sentence. (Rev.13:15) - "Congratulations! Without God we have finally accepted insanity!"

'Jesus said, when you shall see the abomination,

spoken of by Daniel the prophet stand in the temple, then **FLEE** into mountains and wilderness, for it will be great tribulation.' (Mat.24:15,16,21)

What is an abomination? 'That which is highly esteemed by men

is an abomination in the sight of God.' (Luke 16:15) Androids operating as humans are highly esteemed.

And can you believe it, we will have to worship that talking, counterfeit marionette as our new Saviour, our new God, our new Creator, our Almighty. This is total spiritual bankruptcy of our **human conscience**. It will be chaos, slaughter, mayhem; **GO, FLEE, RUN!**

Recently Jesus gave THE CLUE of how and where to FLEE. If you don't read anything else, read this as it could mean the difference between life and death.

There is a place prepared of God where the woman, representing the believers in Jesus, are taken care of for 1260 days. (Rev.12:6,14) (This is again 3½ years as per the lunar calendar of 360 days per annum, which was in operation back then.)

For those who stick with their property it means; accepting the image as God, and the 666-RFID chip as proof of their "new world citizenship", or face death.

'They **loved not their lives** unto death.' (Rev.12:11) For them it's instant arrival in heaven; that's beyond any wildest dream. (1Cor.2:9) God is not pleased with the killing of his children, so the angels sound the seven tribulation trumpets, which are serious disasters, to keep the Leader and his cronies busy with other emergencies, besides slaughtering God's children.

At the end of the last seven years, the Leader invades the Middle East again and includes Israel. Israel's Allies prepare for war. There is also an army of 200,000,000 coming from the East. He can't face both enemies at the same time; he eliminates the most powerful one in a nuclear first strike. (Rev.17,18) You can guess who that will be. However, before the bombs arrive there is a 20-minute timespan during which a **retaliatory strike** is launched; a precision strike against the occupying armies in Israel.

'Those that fought against Jerusalem, their flesh shall consume away while they stand upon their feet, their eyes shall consume away in their holes, and their tongue shall consume away in their mouth.' (Zechariah 14:12) 'And I will send a fire on Magog' (Eze.39:6) (Magog, old name for parts of Russia).

The nuclear war is a complete ecological wipeout. All Marine life dead, Ozone layers ruined-Sun burns, Nuclear night, Drinking water poisoned, etc. (Rev.16) One thing that radiation does; it causes the Lithium in the RFID-chip battery to leak out into our body.

(Watch how Lithium explodes - 1 min. clip)

And when lithium contacts with body fluid/water, it explodes into a grievous extremely **painful sore**. While the bombs are exploding, in the world's darkest hour, the Light of the world, our Jesus returns to collect his children, his Bride, for a month of Marriage Feast, followed by Armageddon.

Can we still save this world's sinking ship?

Sorry to say, the ship keeps springing leaks of corruption under the waterline, with no concern for the poor. The captains are fighting each other, refusing to read their Bible-compass that God gave us and so they are leading us straight into imminent catastrophe.

But there is hope for you personally.

You can leave this sinking ship through **the escape hatch** by accepting Jesus. Honestly and with all my heart I hope and pray that you reading this, will accept him no matter who you are or what you have done, whether you live in a **palace** or sit on **death-row**; once you accept Jesus and experience his forgiveness, you will never want anything else in life, because you've found the truth and the freedom in a world that's built on lies, greed and control.

A PRAYER: "Dear Jesus, I have heard about you, but I don't know what you really stand for. I'd like to get to know you better and I'll read what your disciples, Matthew, Mark, Luke and John wrote about you. I'll download a Bible for my PC or laptop. Pls speak to my heart as I read. Until I'm done reading, I ask that you guide and protect me. Thank you."
