

“Merry Christmas”

What is Christmas ? Many people look upon it as one of the biggest holidays of the year. Sadly many people seem to have almost forgotten the true meaning of Christmas.

It does not matter what religion you believe in, what colour your skin is or what your social statust is. Christmas is when the God of Love sent His greatest gift to the world in the form of a tiny baby. That baby is called Jesus. He came with a message of love, hope and salvation for all people everywhere. Although He was sent by God, He was born on the humble floor of a stable with an animal feed trough as his bed. Simple shepherds were the first ones to visit Him after His birth. He conformed to our human ways of life, so that He might understand and love us better.

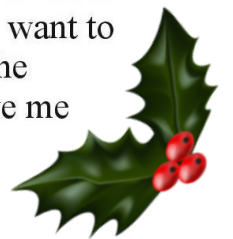

When He began His life's work at the age of 30, He went around everywhere doing good, helping people and strengthening their tired bodies: healing them when they were sick, feeding them when they were hungry, sharing His life and His love. He tried to lead people into the Kingdom of God, by simply teaching us to “**love God with all our hearts and to love our neighbour as ourselves!.**”

He was arrested on false charges of sedition and was crucified. Three days after His dead body was laid in a grave, He arose from the dead, showing that He was greater than Death and Hell.

He is the only One who died for all our sins. He said: “I am the way, the truth and the life.” To find out that He really is the way of salvation, then all you have to do is sincerely pray the following prayer: “Dear Jesus, thank you for Your love. I want to know you and receive you into my heart and life. Please forgive me for all the wrong that I have done. Help me share Your love with others and please give me Your gift of eternal life.”

If you prayed this sincerely then you are now His child!

In order to know more about Jesus, read His life story in the book of John recorded in the Bible. If you write to us we will send you a small book of John free of charge!

We wish you a very Happy Christmas and God's Blessing for the coming year!
