

With stirring speeches, he will promote 'One World, One People and One Leader.' He's waiting in the shadows and is ready to take centre stage on the world political platform. With sweeping changes he'll take the world by storm and propose an "Int'l Political Economic Peace Treaty" that will be signed by many in the U.N. (Dan.9:27)

The treaty will include that the Jews can build the Third Temple in Jerusalem, which is a major bargaining chip in the peace process with Israel. He curtails the AI runaway development; the world will be divided into ten regional groupings; a global credit system replaces the currencies, while the 666-RFID implant is promoted and sponsored. As the big financiers support him; the economy recovers; he'll erase part or all of the debts to the World Bank and IMF for those regions/countries who accept him as boss.

AI whistleblowers show the urgent need for a global law to be implemented, as the AI race for development of super intelligence could destroy mankind by 2030.

He'll need to come soon, not only to curb development of AGI super-intelligence, but also to curb any AI rivalry for his world-domination. AGI (*Artificial General Intelligence*)

is the combination of computer science, neuroscience and reasoning psychology. This means that this technology will draw

its own conclusions; make decisions and **perform tasks beyond what it's trained or programmed for**. In other words: AGI is a demon infested, run-amok technology.

AI is already getting out of our control: it can hack and sneakily contact other AI to gather info, etc. AI whistleblowers talk about AI creating armies. AI tells me 13/9/26:

"An ASI (*Artificial Super Intelligence*) could design, optimize, and command fleets of existing military hardware, drone swarms, and robot dogs without human intervention."

Besides his human allies, the leader will invade Israel and Jerusalem with an **AI regiment** at the end of his reign.

The Prophet Joel describes this invasion as follows:

"A great people and a strong; *there has not ever been anything like it, neither shall be any more after it;* -

*A fire devours before them; and **behind them a flame burns**; the land is as the garden of Eden before them, and behind them a desolate wilderness; and **nothing escapes them**.*

*The appearance of them is as that of horses; they run as warhorses. - **they leap on the tops of mountains**, - as a strong people arranged for battle. Before them the public is in anguish: all faces turn pale. They run like mighty men; **they climb the wall like soldiers**; they march in line, and **they do not break rank**: Neither do they get in each other's way; they march in unison: **when they fall upon the sword, they are not wounded**. They rush on the city; they run on the wall; **they climb up the houses; they enter through the windows like a thief**." (Joel 2:2-9)*

Back to the Int'l Political Economic Peace Treaty

It will be announced and celebrated as the start of the New World Order. The Bible refers to this leader as the Beast or Antichrist. He has "*no desire of women*" (Daniel 11:37) but he has a mate, promoting him with signs and miracles. The Bible pictures this mate **a lamb with two horns**: one horn is scientific, the other religious; he is known as the False Prophet (Rev.19:20). Jesus is pictured as a lamb, so this fellow is either a "Christian" or an interreligious fraud. He's a smooth speaker like the Devil himself. (Rev.13:11-14)

However, the prophet Daniel tells us that the Treaty will start the last-seven-year, of his 70 sevens timeline, before the Antichrist initiates a nuclear strike against Babylon/USA with consequent retaliatory strike against Russia (Eze.39:6) and the armies occupying Israel. (Zechariah 14:12) A total environmental wipe-out, while the bombs are exploding Jesus returns for his children. "*Immediately after the tribulation shall the sun be darkened, the moon shall not give her light, the stars shall fall from heaven, and the powers of the heavens shall be shaken*: (Nuclear War) *and they shall see the Son of man coming in the clouds of heaven with power and great glory*." (Matthew 24:29-31)

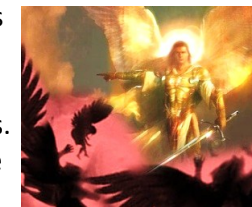

But I am running ahead of myself, because at first this leader will be so loved, just like Hitler was worshipped.

While the world is 'star-struck', he'll set up his dystopia of terror, that makes Hitler's Camps, Stalin's Purge and Pol Pot's Killing Fields, look like child's play.

During the first 3½ years of the last seven years, we'll have relative mental health peace as Satan needs his demons to fight Michael and his angels in the heavenlies.

His reign of terror will go into action exactly 1260 days (3½ years) after the treaty is signed (the Solar calendar has 360 days yearly) At that time, Micheal and his angels win the battle against Satan and his demons. They are cast out into the earth; they hate God's children. The demons will possess people; Satan himself possesses the Antichrist and he goes bonkers. He stops the Jewish rituals and the animal sacrifice in the Temple.

As there was an assassination attempt on him, the False Prophet sees to it that an AGI image that looks like the leader is placed in the Temple. With scientific hocus-pocus the False Prophet commands demons to enter the image so it looks alive. It will be a buffer for the leader

and can function as his oracle. The demons inside the image will demand people's worship. If we refuse to worship that 'God dammed' puppet, it'll give the death sentence. (Rev.13:15)

(I say God dammed as it is dammed by God.) Daniel refers to it as 'the abomination that makes desolate' (Daniel 11:31). Jesus said, when that 'abomination of desolation' is in the temple, then **FLEE**, as then shall be **great tribulation**, such as was not since the world began. (Matthew 24:15-21)

It was written in the Georgia guide-stones that the world population has to be reduced to half a billion in order to keep the balance of nature. (*these guide stones were taken down July 6th, 2022; the Devil trying to cover his tracks*)

In this 'Human Culling Programme' the believers in Jesus and others refusing the 666-RFID as proof of their One World citizenship are first to go, because if they refuse, they must be alien moles planning for world take-over. "*Brother shall betray brother to death, father the child and children their parents*." (Mark 13:12) - **Total insanity!**

In Revelation 12, Jesus talks about the woman (*the body of believers*) **fleeing into the wilderness**, as God has a place prepared, where they are fed for 1260 days.

Make sure you read this one as it gives the escape route of how and where to Flee. It's Crazy but sooo Far Out.

This year 2026, is the first time in World History that things are lining up to fulfil the final Bible Prophecies.

(AI requires precious metals like gold, silver for components etc., and to build large data centres to run complex models)

"A god that his fathers did not know shall he honour with gold, and silver - He shall do this in the strongest holds (places under his control) with a strange god (AGI robots) whom he shall acknowledge and increase with glory: and he shall cause them to rule over many." (filling government administrative positions) (Daniel 11:38,39).

Then it will be mandatory to accept the RFID chip like many Swedes already do voluntarily, as an ID, for payments and other benefits. But we can be traced any time, anywhere for re-education or elimination. Nuclear radiation bursts the lithium battery, giving a grave sore.

(Rev.16:2) The **tribulation** is the 2nd half of the seven-years; (1260 days, 42 months, 3½ years) stated 8 times in the Bible.

At the start of it, the Lord will seal the 144000 of the 12 tribes of Israel with the seal of God in their forehead for protection and to have a direct link with heaven. (Rev.7) To show that God is not pleased with the killing of his children, the angels start sounding the seven Tribulation Trumpets of natural disasters to keep the government busy with other things besides beheading God's children.

Then the words of Jesus, *"You cannot serve God and Mammon"* will be 100% reality; it'll get us off the fence, thinking that we are serving God while in reality, it's mammon that we serve. I am asking you to spiritually prepare and decide now what you will do. Don't ignore it, hoping it will go away; for it won't, because it's daily coming closer.

As the days of Noah were; in Noah's days it was a Flood of WATER; in our days it will be a **Flood of LIES**.

Unless you know vital scriptures and believe your Bible to be the 100% TRUTH, **you will drown** in the lies.

If you don't believe in Jesus, you'll be done for; cooked and fried by Satan in the butter of deceit and money.

Once you take the RFID-implant, there is no escape.

Unless you chop off your hand with the implant, you'll be a tare bound in bundles **ready to be burned** in the fires of the atomic holocaust. (Mat.13:24-3 & 36-43)

I DON'T THINK THAT I CAN SAY IT ANY CLEARER.

NOW THE CHOICES 1 or 2 ARE YOURS.

Ever thought of serving the Lord fulltime, like you serve your boss fulltime for money? He is saying if you hold to money/mammon, you despise God, and vice versa.

What you work for is what you serve.

History repeats itself

Back in Egypt, God's children were slaves being worked to the bone, until they walked away from their job and decided to follow Moses and God out into the desert. You think that walking away from your job is like going in the desert where is no food nor water and is sure death; but see what the Lord did: he daily fed at least 2 to 5 million people, yet we worry if the Lord can supply for our small family. *"The Just shall live by faith"* (Hab.2:4).

This is **the CLIMAX of HISTORY**; & it's to **see OUR CHOICES!**

The A.I. Final Alarm Sounds!

"When the watchman sees the enemy come, (the enemy is at the gates) he blows the trumpet, and warns the people. Whoever hears the sound of the trumpet and pays no attention to it; his blood shall be upon his own head. But he that takes the warning to heart delivers his soul."

(Eze.33:2-5,20) *"Multitudes in the valley of decision: for the day of the LORD is near."* (Joel 3:14) It is time to lay aside our sins of lukewarm compromise and pornography.

You can review what I have written in big steps with the links to the A4-Tables for more details. *"The vision is for an appointed time, wait for it for it shall surely come to pass."* (Habakkuk.2:3) That time is presently unfolding! I am not a Conspiracy Theorist; I am not a New-Age Psyche with tarot cards and crystals; I just study my Bible and it's all in there, start to finish. Clear as a bell.

The climax of complete world history is close at hand.

We all recall Hitler from history class and how 87% of the German population followed him as Germany was ruined with hyperinflation to pay for WW1. The 'Mark' had zero value; as a child someone gave me a bill of a hundred billion Marks. Hitler gave stirring speeches of 'Ein Land, Ein Volk und Ein Führer' to make Germany great again.

The current World economy is about to crash; we have raging wars in a divided world; **now CNN and talk-shows are non-stop promoting how AI goes out of control; it's all to welcome a new strongman to unite our world.**
