Sex, whether it fits in our religious thinking or not, is one the most beautiful gifts of God and we should respect it as such.

People think Religion and Sex don't go together. This might be true, BUT GOD IS NOT RELIGIOUS … We are! He is our Father… We are his children and we look like him, as we are made in his image; his selfie, whether we like it or not, or believe in God or not. He is love:

Agape, love between God and mankind;

Eros, intimate sexual love;

Philia, brotherly love;

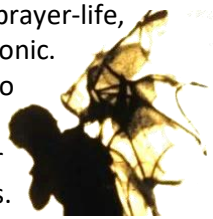

Storge, natural love between parents and offspring.

Love is caring, giving, kindness, gentleness and self-restraint. It's total opposite of lust and selfish grabbing.

Lust does not care if you ruin someone's happiness as long as you can gratify your ravenous, sexual gluttony.

Pornography is addictive, destructive, a waste of time.

Personally, I visited some "sexy sites" over a decade ago. The first thing I saw was a beautiful girl and I prayed for her, as I thought, 'Lord, she could be dynamite for you. She could be such a bold witness, if she would know your love.' However, it didn't take long before something else showed up that grossed me out and the picture stuck in my mind. With the result that when I was praying, that picture would flash up to interrupt my prayer-life, which made me realize that it was demonic.

That porn parasite wasn't going to let go of me; it was embedding itself in my brain to grow into black spots that later on in life will harm my mental functions.

That parasite was out to ruin my life and my walk with the Lord. **Logging on to porn-sites is the same as visiting a brothel** where you can get STD **(Sexual Transmitted Disease)**. Spiritually speaking you get worse STD from porn-sites **(Spiritual Transmitted Demons)**.

I asked the Lord and rudely stopped this online adultery. Thank God, he erased that imprint from my mind. **I was cured and have no desire to go back there to get SEVEN WORSE DEMONS attacking me and my relationship with Jesus**. (Luke 11:24-26) No thanks.

Porn sites are brothels where adultery is rife, you not only become dissatisfied with your partner, but you block your entrance to the heavenly city, '*as outside are dogs, **whoremongers**, idolaters, and **liars***' (Rev.22:15).

King Solomon had 700 wives and 300 concubines; he must have known sexual disinhibition. God didn't seem to mind that. However, he loved his women, but feared the Lord. If he would have loved the Lord with all his heart, even a thousand women couldn't have turned his heart away. Here it begins, 'Oh Solo, you built such a big temple for your God. Can I also build a shrine for my Ashtoreth? Say yes, and I'll give you a night that you'll never forget.' There goes Solo led by his …….. The other demons followed: Milcom, Chemosh, Molech, the whole rotten bunch, so the LORD who'd given him the throne, wisdom and riches, was angry with him. (1Kings 11:5-9)

I watched a young pastor/worship leader go bonkers, hurting his wife, his young family, then himself, by trying to burn his violent hand in a flame. He lost his beautiful family. **Why?** Because of his non-stop addiction to porn-sites; lusting after women and committing adultery in his bedroom**. He had to be admitted to a mental hospital and then to his parents; as he was forbidden to visit his wife and four children.** WHO WANTS TO BE NEXT?

'**Research of 2024 shows that 86% of US pastors** believe that porn use is a common issue among other Christian pastors.' Jeremiah 5:7 says; *"They assembled by troops in the harlots' houses."* If you are addicted, be honest with Jesus, then seek help. **Bring everything out into the light as these demons hate the light** and will lose their power over you, **if you truly 100% want it**. If you confess only 90%, you give 10% to Satan to return, and he will with seven worse demons. Pick your choice!

I beg you to repent of your sins of compromise also for your children's sake. We can't tell our child not to take drugs when we are stoned out on porn, because next, we'll agree with Goldstein's poison: "that Christ sucks." *"Having done all, Stand."* (Eph.6:13) Don't blame others, or the net, or Satan for sucking you into those sites, as you have the **on/off** switch on **YOUR** phone in **YOUR** hand. Integrity is **being whole and undivided** - One or the other.

During a recent meeting I touched on the subject; later on, a pastor asked me for prayer. I wrote him afterward: "In order to overcome this weakness. Please wash your wife's feet; apologize to her for going places where you shouldn't have gone and ask her to pray for you. Celebrate your decision with a glass of wine and enjoy each other, treat her with the same love and respect as when you first met."

Go Cold Turkey and prove to be a man of your word.

NOW THE BIG QUESTION: What about masturbation?

Q: 'Is it a sin or not? This article is by John Taylor, who lost his wife the previous year. He was struck by lightning while masturbating or shortly after. He went to pray in nature and read in Ezekiel about a prostitute who 'lusted after lovers, whose genitals were like those of donkeys'; he then masturbated and got struck by lightning.'

A: "**We are talking about two separate things here: the physical aspect and spiritual aspect of masturbation**. God is our Father and we are made just like he is. He does not hate sex; he created it along with all the body parts that make it feel so good. **He made us so, that we will have to ejaculate** every so often and we can do that, **without this guilt of religious dogma, hanging over us, keeping us subservient to this hypocrisy, contrary to the way God created us.** Why dishonour God and push this beautiful gift of sex back into his face, saying, **'I don't accept this gift, please give it to the sinners.'** Hypocrites we are, and so messed up when it comes to sex. The man got struck by lightning not because he physically masturbated, but that he **spiritually** focussed on a guy with donkey's genitals. This shows that God is a jealous God and he doesn't appreciate, if we use his amazing gift of intimacy, by focussing on stuff like that, instead of thanking him for this jaw-dropping body that he gave us.

Last year I was speaking at a gathering.

Afterwards a gentleman takes me aside and said, 'Sir, **can I ask you a very personal question?**' - "Please do." – 'I have this problem that I need an orgasm three or four times in a day and my wife cannot keep up with me. Our marriage suffers. I feel God is not pleased with me.'

I asked him, "Why do you feel bad about it? You feel that it separates you from God, instead why don't you thank God for your healthy body? Thousands suffer from E.D. Erectile Dysfunction. Stay away from porn-sites, instead I advise you to: **Thank God for the amazing body that he's given you.** Thank him that he made it feel so good and that he put our soul in this pleasurable physique, our body. Before climaxing, you get these intense feelings, focus these on the Creator and say, 'Wow, thank you so much for giving me an amazing body like this.' **Physical masturbation can become a Spiritual experience** where you express your thankfulness to Jesus in an explosion of admiration and love; it'll surprise you how intimate the Trinity is and fills you with out-of-this-world happiness."

I saw this person a few months later. He came to shake my hands. I asked him how things were. He gave me a big smile and a thumbs up. "And how is ma'am?" - Both thumbs up. "And how is your walk with the Lord?" - He looked up, put both thumbs up, and with the biggest smile he said, 'Thank you.'

Not everything that is pleasurable is sin.

*"Then said Jesus, 'If you **continue in my word**, then you shall **know the truth, and the truth shall make you free**'"* (John 8:31,32). He loves us and wants to see us free and happy. "*There is no condemnation to them which are in Christ Jesus, who walk not after the flesh,* (The flesh of the porn-sites) *but after the Spirit."* (Rom.8:1) (They're thankful for their body and thank their Creator with all their heart)

***"Do you have faith? Have it to yourself before God**. Happy is he that condemns not himself in that thing which he allows."* If you don't have the faith for it, then don't, *"for whatsoever is not of faith is sin."* (Rom.14:22,23)

They are called private parts, so let's keep it that way.

Satan's ugly counterfeits and lies:

Everything that God has made, Satan does his utmost to make it vulgar. His money power dictates most news, so we will keep hearing about God's beautiful gift, being **besmirched with Satan's foul vomit**. We buy into the lie thinking that sex is dirty, while we should know better, as God only gives us what is good, beautiful and healthy.

But if anyone has an unnatural desire for perverted sex, and feels like **preying on innocent children**, then Jesus gave a very clear warning, *"Whoever shall offend one of these little ones that believe in me, it is better for him that a millstone was hanged around his neck, and he'd be cast into the sea."* (Matthew 18:6) I honestly believe; this person should demand for himself to be castrated. Jesus said, *"If your hand offends you, cut it off: it is better for you to enter into life maimed, than having two hands* (or two testicles) *to go into hell."* (Mark 9:43)

A Court Case in Heaven - Satan speaking: (Rev.12:10)

"Here we have watertight case; I have downloaded his history of the visited porn-sites. This fake felon is a two-faced hypocrite. He preaches about you, says he loves you, but disobeys your Son as in his heart lusts after porn He flagrantly disobeys your commandment "You shall not commit adultery". Wasn't this the religious phonies that your Son couldn't stand while on earth? As he is the same yesterday, today and forever; I demand the same verdict for this guilty person, as your supposedly guiltless Son got; 'Death by crucifixion!' and let him rot in hell."

The Judge is quiet and asks, 'Anything in your defence?' - 'No defence, your Honour, Guilty as charged.'

The prosecutor throws his legal paperwork in the air and screams, 'Foul play!' His plea for justice is overruled by the Judge, who had put a price on the prisoner that no one was willing or able to pay, except his Son.

"You're out on bail. My Son has paid again. He left you a note '*You are made whole; sin no more, lest a worse thing befalls you.*' (John 5:14) Let me remind you that when you accepted my Son, then your eternal life started, so your present decisions set your compass to your eternal destiny. It is not 'once saved forever saved', but it's your obedience to my Son." - "Thank you Your Honour."

There is a gulf fixed between Pornography & Masturbation

(This is a compilation of different earlier texts in one A4-table)

The father of modern porn Al Goldstein (1936-2013) said, **"The reason we create porn is because we think that Christ sucks. Pornography becomes a way of defiling Christian culture - as it penetrates the very heart."**

There is real damage that is done to the brain; if you see the right scan, you see the dark spots in the brain of a person who has watched hardcore porn for a decade. These black growths affect our mental functions if not now, definitely later in life. The right is the fun, creative, intuitive, emotional, imaginary, artistic, non-verbal side, and this is what pornography first dulls and then kills.

I am not a prude and I believe that sex is one of the most beautiful gifts that God created us with. But Jesus did say, *'who looks on a woman to lust after her, has in his heart committed adultery with her already.'* (Matthew 5:28)

There is a big difference between looking and lusting. I enjoy looking at people, women and men, especially if they smile, but that does not mean that I lust after them and want to go to bed with them. I like seeing children playing and happy, but that does not mean I lust after them. God told Adam and Eve in the garden as the very first thing to, ***"be fruitful and multiply"*** (Genesis 1:28)

We cannot multiply without sex… We have abortions galore, as we are too selfish to multiply, so the Lord made the multiplication act irresistible, else mankind would have died out long ago.
